

SOLAR GLOW

S/S 2027

Sun-shielded. Colour-charged. Summer-ready.

A woman with dark hair and light skin is lying on her side, looking towards the camera. She is wearing a purple tank top and orange shorts. The background is a warm, wooden surface.

Turn up the heat. Stay cool in comfort.

Sun-driven Colour Cooling Technology Sustainable Comfort Fuel

Outdoor training and active travel are reshaping demand for activewear.

Solar Glow meets the trend with a sun-driven capsule spanning sports bras, breathable layers, functional bottoms, and a versatile training dress, all engineered to perform in the heat.

UV-protective Sunchill Interlock, cooling fabric blends, anti-odour stretch wovens, and sustainable bamboo jersey deliver the function that customers are actively seeking. Bold, warm palettes and functional details like side pockets, removable pads, and adjustable coverage complete a commercially ready range built for open-sky confidence.

Bring sun-shielded, cooling performance to your SS2027 assortment with Solar Glow.

For bold outdoor summer movement

Theme 1

Protection Meets Style

UV-protective Sunchill Interlock and cooling technologies

keep performance high and sun exposure low.

Training-ready layers engineered for outdoor confidence.

Theme 2

Cooler For Longer

Cooling fabrics, anti-odour stretch wovens, and breathable jacquards

deliver comfort that keeps pace with every stride.

Theme 3

Move Naturally

Recycled and naturally sourced fabrics bring a soft,
more sustainable approach to relaxed activewear silhouettes
for the mindful mover.
