

S/S 2027

Every session starts recharged.

Recharge Mode

Feel good, move free.

Wellness activewear designed
to make every session
a feel-good moment.

Personality meets performance

Recharge Mode puts the feel-good back into fitness.
Trend-driven design details like ruching panels, cutout straps, asymmetric overlaps,
and bubble hems create standout shelf appeal across every piece.

Functional, textured fabrics in bamboo, recycled nylon, and cooling blends
deliver real performance across workouts with low to medium impact.

Built for studio sessions, mindful movement, and gym-to-street transitions,
these pieces give your customers a reason to come back.

Theme 1

Mindful Movement

Soft bamboo jersey brings natural breathability, shaped by spacer padding and ruching accents for wellness and comfort.

Theme 2

Energised Training Sessions

Recycled double jersey and creora® Power Fit compression interlock deliver lightweight, sculpted support through cutout detailing, bonded free-cut straps, and feminine necklines.

Theme 3

Flow from Studio to Street

Cooling fabric with temperature regulation, power jersey, and soft jacquard bring relaxed versatility to silhouettes with bubble hems, built-in coverage, and waistbands in a boxer style.
