Benefits are payable up to the Maximum Benefits shown above if the Insured Person suffers a medical emergency during the course of a covered trip and is traveling outside his or her home country or country of permanent assignment. The charges incurred must be medically necessary and any travel assistance services must be authorized by the assistance provider shown above.

Medical expense maximum benefit exceeds 30,000 Euros and includes \$0 deductibles and copay subject to the provisions of the policy. Coverage area is worldwide including Schengen countries per the policy provisions.

The medical expense benefit under the Chubb policy provides coverage for the treatment of a diagnosed medical condition while traveling. If the Insured Person becomes ill and seeks medical attention, the policy will cover covered expenses pursuant to the terms and conditions of the policy. COVID-19 would be treated as any other covered medical condition. This policy does not provide coverage if a healthy traveler is in quarantine either voluntarily or to comply with the orders of any organization, government or other entity (including the policyholder) unless the traveler has been diagnosed with a medical condition.

Provider Note: This document provides a brief description of the important features of the insurance plan. It is not a contract of insurance. The terms and conditions of coverage are set forth in the Policy(ies). Possession of this document does not guarantee payment.
