How to refine your search results

- A** **Change the radius of your search.** By default the search will show dentists within 15 miles of a given location, but you can adjust this distance by clicking on “Refine search” and selecting any distance from “5 miles” to “60 miles” from the drop-down menu.
- B** **Filter your results.** Refine your search results by categories such as specialty, network and language.

The screenshot displays the 'Find a Dentist' search results page. The search bar contains 'Dentist, office or keyword' and the location is set to 'San Francisco, CA 94105'. The results show three dentists: David Dickey (0.3 mi), Lolita Sibal (0.5 mi), and Jeffrey Cox (0.5 mi). Each listing includes their name, title, network information, and a 'Details' link. A map of San Francisco is shown with markers for the dentists. A 'Refine search' dropdown menu is open, showing options for sorting (Best Match, Distance) and filtering (Networks, Specialties, Languages, etc.).
