## Save On Prescriptions With Just A few Clicks

MyBlueRxTX is a personalized pharmacy app for Blue Cross and Blue Shield of Texas (BCBSTX) members. We're making it easy to understand and manage prescription drugs and out-of-pocket costs for yourself and your family.

### How it works

This app puts your prescription drug information in your hands with features that allow you to:

- Compare drug costs at different pharmacies
- Find available lower-cost drug options
- Manage prescription drug care for your family\* (Dependents who are 18 and older can download the app and create their own account)
- Access information about your prescription drugs, including medication details, claims history, coverage, pre-approvals and refills
- Get reminders when it's time to refill a prescription or renew a clinical review approval
- Search for and contact in-network pharmacies

\* Who are listed as dependents on your BCBSTX plan. Not all features are available for all plans
