Non-Domestic Fire Alarms	Grade C Fire Alarms	Grade D Fire Alarms	Emergency Lighting	Voice Alarms	Emergency Voice Communications	Evacuation Alert Systems

## Product Description

This Fire Alarm System label has been designed to satisfy the requirements of the British Standards as described below:

### BS 5839-1:2025 Clause 24.1.7b states...

Every isolator and protective device that can isolate the supply to the fire detection and fire alarm system, other than the main isolator for the building and where in the case of a switch (whether incorporating a protective device or not) that serves only the fire alarm circuit should be labelled "FIRE ALARM. DO NOT SWITCH OFF".

### BS 5839-6:2019 Clause 15.3b states...

Where the mains supply to the control and indicating equipment is supplied via an isolating protective device, the isolating device should be labelled "FIRE ALARM DO NOT SWITCH OFF".

Product Specification
