Product Description

This Emergency Voice Communication System label has been designed to satisfy the requirements of the British Standards as described below:

BS 5839-9:2021 Clause 13.1f states...

Every isolator and protective device that can isolate the supply to the EVC system, other than the main isolator for the building, should be labelled **"WARNING. THIS SWITCH ALSO CONTROLS THE SUPPLY TO THE EMERGENCY VOICE COMMUNICATION SYSTEM"**, in the case of any switch that disconnects the mains supply to both the EVC system and to other circuits.

Product Specification

Product Code	FD-LAB-EVCW
Labels per Pack	24
Label Size	20mm x 70mm
