### Product Description

This Emergency Voice Communication System label has been designed to satisfy the requirements of the British Standards as described below:

#### BS 5839-9:2021 Clause 13.1f states...

Every isolator and protective device that can isolate the supply to the EVC system, other than the main isolator for the building, should be labelled **"EMERGENCY VOICE COMMUNICATION SYSTEM. DO NOT SWITCH OFF"**, in the case of a switch (whether incorporating a protective device or not) that serves only the EVC circuit.
