Product Description

This Emergency Voice Communication System label has been designed to satisfy the requirements of the British Standards as described below:

BS 5839-9:2021 Clause 13.1f states...

Every isolator and protective device that can isolate the supply to the EVC system, other than the main isolator for the building, should be labelled “EMERGENCY VOICE COMMUNICATION SYSTEM”, in the case of a protective device that serves only the EVC circuit, but incorporates no switch.
