

Verifone Victa Register

Reimagine the checkout with a sleek, dual-display POS – built for speed, security, and seamless interaction.

Verifone Victa Register is a modern all-in-one POS for retail and hospitality, featuring a 14" Open Android OS merchant display for intuitive app integration. Complementing this is Verifone Victa Lane, which features an 8" customer-facing screen with built-in biometrics for secure, seamless payments. Powered by an octa-core processor, Verifone Victa Register is ideal for high-traffic, security-focused environments.

Key Features

Customer experience

- Point of Sale and Payment systems work seamlessly together
- Effortless set up. Plug-and-Play with minimal effort.
- Seamless checkout experience with integrated Biometric payment
- Send receipts instantly with NFC-enabled digital receipts.

Power and Performance

- Qualcomm Octa-core processors boost apps & payment performance

Built for the future

- Keep transactions safe with a device engineered to the latest PCI 7.x standards
