ALONG
EVERY MILE**

CSR - AT THE CORE OF HFCL'S HEART

Corporate Social Responsibility (CSR) is more than just a mandate – it is integral to HFCL's mission of empowering the marginalized and helping create an inclusive socio-economic impact in the society.

Through its various programs and initiatives, HFCL Group creates sustainable impact in communities across India:

- Preventive, curative and critical health healthcare
Promoting elementary/higher education by creating digital infrastructure
- Creating hi-tech e-learning solutions in rural areas
- Undertaking initiatives in other domains in line with varied needs and aspirations of adjoining communities

THE PURPOSE BEHIND THE CELEBRATIONS

In continuation of our annual tradition, we celebrated the last week of January, 2023 as HFCL's CSR Week (24th January, to 31st January, 2023).

As a socially inclusive organization, HFCL believes in giving back to society by uplifting the lives of the needy and underprivileged. CSR activities are very close to heart of **Shri Nahata Ji**, Managing Director of the Company

Since the last many years, Shri Nahata Ji's birth week has been earmarked as HFCL CSR Week. What better way to celebrate his birthday than expanding our CSR activities all through his birth week because there is no greater joy than the joy of giving!

MAKING A DIFFERENCE TOGETHER

HFCL is supporting the educational needs of DIVYANG children at Balwantray Mehta Vidya Bhawan, Greater Kailash -II, New Delhi. It has also provided a grant for transportation, Smart Class System and renovation of Printing Press at the School.

Leading by Example - Activities at New Delhi & NCR Offices

25 January, 2023 | SHEOWS Visit

Our Gurugram and GK-II employees visited SHEOWS ('Guru Vishram Vridh Ashram' at Garhmukteshwar, Uttar Pradesh), and interacted with the elderly people residing there, who have been diagnosed with Alzheimer's, Dementia, and other such disorders.

HFCL employees also served lunch to the senior citizens and in some cases, even helped to feed them. There was a lot to share and also learn from the experience of seniors residing there.

Overall, it was a very fulfilling and gratifying day for the employees who volunteered for this noble cause.

To gift a life with dignity to the elderly residents of Guru Vishram Vridh Ashram, HFCL has:

- Constructed a new accommodation facility, in order to provide shelter to over 100 needy Senior Citizens
- Developed a 24-bed Hospital, including two ICU facilities
- Provided advanced medical equipment and Physiotherapy facilities
- Installed Solar Power System to provide uninterrupted power supply
- Dispensed low floor beds for resident Senior Citizens
- Furnished all required hospital furniture and other essential items

MOBILE MEDICAL UNITS: FILLING THE GAP IN PREVENTIVE HEALTHCARE

With a focused approach in doorstep Preventive Healthcare, HFCL set up Mobile Medicare Units to cater to the needy and marginalized sections of society residing in remote areas.

At present, a battery of 8 Mobile Medical Units (MMUs) are operational, providing 350,000 households convenient access to better health. We have been successful in touching the lives of 800+ beneficiaries every day with preventive healthcare facilities. Till date, we have administered over a million treatments, and counting!

Each MMU is accompanied by a professional healthcare team comprising of an MBBS doctor, a lab technician, and a pharmacist. It is equipped to offer diagnostics, medicines, Pathological tests, ECG, etc., all of which are made available to the beneficiaries free of cost.

The implementing agencies manage its day-to-day operations and mobilize greater participation of the targeted communities with the help of a MSW Qualified SPO (Social Protection Officer).

Throughout HFCL CSR Week 2023, the 8 Mobile Medical Units stationed at different locations – Solan (Himachal Pradesh), Goa, Sardarshahar (Rajasthan; 2 Units), Ghazipur (Uttar Pradesh), Hyderabad (Telangana), Chennai, and Hosur - collectively reached out to more than 8,000 beneficiaries by organizing different activities:

- Specialized Health Camp – ENT Specialists, Gynecologists, Ophthalmologists, Dermatologists, Orthopedists, etc. were available for consultation
- Pathological tests were carried out at the Mobile Medical Units
- Medicines were prescribed and given free of cost
- Awareness drives and camps all through the week such as Cancer Awareness Camp, Diabetes Care, Dental Care, Geriatric Care, Health & Hygiene, Gender-based Health Issues, Communicable Diseases & its Prevention, etc.
