## FREQUENTLY ASKED QUESTIONS

1

### **Why are referees now being paid via EFT and not cash reimbursements?**

Due to COVID-19, Basketball Victoria is strongly encouraging associations to move cashless. This is to ensure greater protection and safety of all basketball participants.

2

### **How frequently will I get reimbursed as a referee?**

This will be at the discretion of each individual association. This could be weekly, fortnightly or monthly.

3

### **Will I receive a pay slip?**

No, referees who complete a 'hobby' form will not be deemed to be employees so they will not be paid via payroll and will therefore not receive pay slips or payment summaries at the end of the year.

The individual association may have a tracking / reporting / log system which includes a breakdown of shifts and reimbursements. Please speak with your Referee Advisor / Branch Contact.

4

### **I don't have a bank account, what do I do?**

You will need to have a bank account in order to be reimbursed. If you are unable to set up your own bank account, the association will need an alternate account (parent / guardian). If you are still unsure, contact your Referee Advisor who will be able to assist you further.

5

### **Who do I contact if I have other questions or concerns?**

Your first point of contact should be your Local Association. If you still have questions, please contact Basketball Victoria Technical Officials Department and we will be able to assist you further.
