### Ladder

Teams shall be classified according to their win-loss record, namely 2 classification points for each game won, 1 classification point for each game lost (including lost by default) and 0 classification points for a game lost by forfeit.

If 2 or more teams have the same win-loss record of all games in the group, the game(s) between these 2 or more teams shall decide on the classification. If the 2 or more teams have the same win-loss record of the games between them, further criteria shall be used in the following order:

1. Higher game points difference of the games between them.
2. Higher number of game points scored in the games between them.
3. Higher game points difference of all games in the group.
4. Higher number of game points scored in all games in the group

### Finals Qualification

To be eligible to play in the finals a player must have played at least 4 out of 6 total home & away games for the Association's respective team in that season. When calculating a player's games played, the player's name must have been selected as active on the electronic scoring software and the player in playing uniform either on the team bench or on the court to be credited with a game played.
