Sub-processors

Sub-processors

Suits group · Version 1.0 · effective from 1 November 2026

This list applies where a Suits company processes personal data on your behalf under the Suits Data Processing Terms, for example for payroll or bookkeeping. Article 4 of those terms explains how we engage sub-processors and how you are informed of changes. We update this list at least fourteen days before a new or replacement sub-processor starts. It also forms Annex III of the SCCs in our Intra-Group Data Sharing and Processing Agreement.
