FOREWORD

Welcome to The Olive Grove, part of our growing family of venues in Hunstanton.

What began with the opening of Sofia's – our first restaurant and the heart of our story – has grown into two venues, each with its own distinct character, yet united by the same values and approach to hospitality. Together, our venues are a celebration of family, legacy, and the moments that bring people together.

At both Sofia's and The Olive Grove, we are driven by a passion for quality, warmth, and genuine hospitality. While each venue offers its own unique atmosphere and experience, our belief remains the same – that great hospitality is about more than just food and drink; it's about how we make people feel. With this in mind, we have created welcoming spaces where you can relax, connect, and enjoy great food, drink, and company, delivered with friendly and attentive service.

We hope you enjoy your time with us at The Olive Grove and look forward to welcoming you back again soon – perhaps even at Sofia's, where our story began.
