# Jeff Taylor

MINISTER · SPEAKER · AUTHOR

*Meetings that move a congregation from  
spectators to participants.*

Jeff Taylor is a preacher, teacher, and author who has given more than 40 years to one mission: declaring and demonstrating the Gospel of Jesus Christ with clarity, authority, and love.

From crusade fields in Tanzania to pastors' conferences in Uganda that gathered more than 1,500 leaders in a single trip, and healing outreaches in Barcelona and Milan, Jeff has carried the Gospel to more than 30 nations. Before returning to full-time itinerant ministry he served six years as lead pastor of Church Alive — so he understands the local church from the inside and comes to build up the house that invites him.

Operating in the offices of prophet, teacher, and evangelist, Jeff is marked by a passion for equipping the body of Christ and a relentless pursuit of revival — including one extended meeting that ran eighteen weeks. His services pair clear biblical teaching with an expectation for God to move, and he appears regularly on Christian television with a message of hope and healing.

*The ministry Jeff brought to our city was unlike anything we had experienced. Pastors were unified, believers were strengthened, and our church was never the same.*

**PASTOR LON MCVEIGH — LIVING TRUTH CHURCH, MADISONVILLE, TX**

Host to Jeff more than 20 times — including a nine-week revival in 2008.

*For nearly thirty years I have known Jeff Taylor, hosted him in my church, and — since 2002 — trusted him with a seat on our executive board. We don't open our finances and decisions to an outside minister unless we trust him completely; Jeff has earned that trust and never once given us reason to question it. He is more than a trusted friend — he is a revivalist God uses to awaken churches and leave a lasting impact.*

**APOSTLE DR. STEVE BALL — METRO TABERNACLE CHURCH, CHATTANOOGA, TN**

*Jeff is an international evangelist with a profound teaching gift and an obvious healing ministry. We have ministered together across the US and abroad — the weeks in India and Nepal are particularly memorable. Do yourself and the kingdom a favor: host this man.*

**MALCOLM BURTON, PHD — FOUNDER & PRESIDENT, THE SCHOOL OF THE HOLY SPIRIT**

A 40-year friend in ministry who hosted Jeff for a five-week revival in Houston, Texas.
