

CHRISTINA HARTIKAINEN

CHIEF LEARNING OFFICER

ABOUT ME

Christina Hartikainen is a connector at heart and a trusted learning and organizational advisor with over two decades of experience across technology, product, and change.

She helps people and organizations do meaningful, sustainable work by bringing care, clarity, and humanity to learning, engagement, and strategy.

SPEAKING TOPICS

Human Capacity & Engagement

Learning & Adaptability

Human Centered Product & Strategy

BUILD WORK THAT LASTS

Christina explores what it really takes for people to do meaningful and sustainable work, grounded in research and lived experience, and designed to leave audiences feeling understood and better equipped to show up differently the next day.

Christina led a compelling session, which was both educational and engaging. I would love an opportunity to have her back at a future event.

-- **PAUL GODDARD**
SCRUM ALLIANCE EVENT CHAIR

Christina is a dynamic and engaging speaker who brings knowledge and passion to every speaking occasion. She delivers in a way that is relatable and accessible to attendees.
