

SUSANA ESPARZA

CHIEF OPERATING OFFICER

ABOUT ME

Susana Esparza helps organizations turn complexity into coordinated, human-centered action. With more than 20 years of experience at the intersection of strategy, operations, and technology, plus a background spanning agile practice, digital experience, and member-focused learning, she brings practical clarity to growth, execution, and effective teams.

SPEAKING TOPICS

Effective Teams

Adaptive Operations

Operational Clarity

MAKE CHANGE FEEL HUMAN

Grounded in operational leadership and years of experience helping teams navigate agility beyond IT, her talks leave audiences with a more practical, human view of how strategy, systems, and collaboration come together in real work.

Susana's generous leadership helped me learn things I never even knew existed! Her pragmatism and agility taught me so much by example, and I enjoyed the benefit of her openness and trust.

-KEVIN DOHERTY
