

GUTFELD!

Weekdays 10-11pm ET

The reigning “King of Late Night” has a new post at the 10 PM hour. Tyrus and Kat Timpf join Greg Gutfeld in this roundtable format, along with a mix of rotating actors, politicians, newsmakers, and culture critics — each bringing a unique background to the conversation. The program spotlights current events, conversations on key issues and Greg’s signature monologues.
