

MasterChef: Global Gauntlet

Season 16

America is a melting pot – home to people from all walks of life, from all over the world. With that comes a diversity of cuisines and flavor profiles inherited from all across the globe. Next summer, the **World Cup** is coming to America and in **World Cup** spirit, we're bringing the world to the **MasterChef** Kitchen in **MasterChef: Global Gauntlet!** Where home cooks bring their unique heritage to the kitchen with plates that are as diverse as the country we live in! There will be only 1 Winner who takes home the trophy, the money and title of America's next **MasterChef!**
