

Next Level Baker

Season 2

Next Level Baker is full of frosty fun, arriving just in time to celebrate the most magical time of the year. It all starts with a sweet transformation of the franchise's three iconic levels which become a breathtaking winter wonderland.
Chef Ramsay is coming to town after scouring the country for the very best home, pro and social media bakers, all from different backgrounds and levels of expertise competing against one another.
Ramsay and his co-mentors come prepared to bring magical moments and surprises to their hand selected group of talented bakers and take them under their wings.
