Special Forces

Season 5

This season, **Special Forces: World's Toughest Test** drops 15 celebrity recruits into the unforgiving jungles of Malaysia to endure the world's toughest test in the most hostile environment a soldier could operate in. Recruits must adapt to uncomfortable conditions, unpredictable terrain and harsh jungle warfare tasks. In this experiment, there are no votes and no eliminations – just survival. These celebrities, who are so used to being in the spotlight, will quickly learn the meaning of "no guts, no glory" – and no glam.
