

Vannin Group Inc. - Company Fact Sheet

August 2026

Official site: <https://vanningroup.com/> · **Press kit:** <https://vanningroup.com/press-kit>

Who we are

Vannin Group Inc. is a New York-headquartered parent company whose flagship Healthcare Division designs, equips, and delivers critical healthcare infrastructure and technology for governments and institutions - turnkey, end-to-end, and bankable. We work as operators and delivery partners across permanent hospitals, deployable clinical capacity, medical supply chain, and Greencube, our electronic health record platform.
