

MIKROSKIN™

SAFETY DATA SHEET (SDS)

SECTION 1 — IDENTIFICATION

Product Name: MikroSkin™

Recommended Use: Flexible architectural surface wrap system for cabinetry, splashbacks, walls and approved interior resurfacing applications.

Supplier: MikroSkin™ Australia

Website: mikroskin.com.au

SECTION 2 — HAZARD IDENTIFICATION

MikroSkin™ is considered a low-hazard decorative architectural surface material when handled and installed correctly.

- Use appropriate PPE during installation and trimming.
- Keep away from open flame and excessive heat exposure.
- Adhesives used during installation should be assessed separately in accordance with the adhesive manufacturer's SDS documentation.

SECTION 3 — COMPOSITION / INFORMATION ON INGREDIENTS

Flexible architectural surface sheet consisting of:

- Resin-modified decorative surface layer
- Flexible backing layer
- Protective finish layer

Exact formulation proprietary.

SECTION 4 — FIRST AID MEASURES

Inhalation: Move to fresh air if irritation occurs.

Skin Contact: Wash with soap and water.

Eye Contact: Flush eyes thoroughly with clean water.

Ingestion: Seek medical attention if swallowed.

SECTION 5 — FIRE FIGHTING MEASURES

Suitable extinguishing media:

- Water spray
- Foam
- Carbon dioxide (CO₂)
- Dry chemical extinguishers

Combustion may produce smoke and combustion by-products.

SECTION 6 — HANDLING & STORAGE

- Store flat or tightly rolled.
- Avoid creasing or folding.
- Keep dry and out of prolonged direct sunlight.
- Avoid prolonged concentrated heat exposure.
- Store in cool, dry interior conditions.

SECTION 7 — EXPOSURE CONTROLS / PPE

Recommended PPE during installation:

- Protective gloves
- Eye protection
- Suitable clothing during trimming and installation
- Ventilation during adhesive application processes

SECTION 8 — PHYSICAL & CHEMICAL PROPERTIES

Appearance: Flexible decorative architectural surface sheet

Finish: Matte architectural finish

Odour: Mild

Solubility: Insoluble in water

Form: Flexible sheet material

SECTION 9 — STABILITY & REACTIVITY

Stable under recommended storage and handling conditions.

Avoid:

- Open flame
- Excessive heat
- Prolonged UV exposure

SECTION 10 — DISPOSAL CONSIDERATIONS

Dispose of offcuts and packaging responsibly in accordance with local regulations.

SECTION 11 — IMPORTANT NOTICE

MikroSkin™ is a decorative architectural surface system intended for approved interior applications only.

Substrate suitability, preparation quality and installation practices remain the responsibility of the installer.

This SDS has been prepared in good faith based on current product understanding and intended use conditions.

MIKROSKIN™

Surface Transformation. Simplified.
