

Cattle have a purpose in ranching operations. When that purpose is no longer possible, the cattle can be donated to the Wichita Falls Area Food Bank for ground beef processing. Donations are tax-deductible and provide families with local beef.

**Livestock
owners donate
cattle for meat
processing.**

**Cattle are
processed at
Nocona Meat
Company, a
USDA-Certified
Slaughterhouse.**

**Ground beef is
distributed to
families across
12 counties.**
