I couldn't have asked for a better rental experience. Thanks Faateh. The flat and room itself is absolutely amazing. Everything is in nice condition, and I felt at home from day one. Staff was excellent. Always available, quick to respond, and genuinely interested in ensuring a great experience for tenants. They went above and beyond to make sure everything is perfect. Renting this flat was truly a pleasure, and I would recommend it without hesitation. Thank you Sir Wewe.

Hi,
I had a wonderful experience renting this flat partition at-- Dar Al Salam Building placed in Salah Al Din Street. The Management of this building has been incredibly accommodating and responsive to any of our needs or concerns. The flat itself is well-maintained, spacious, and has all the amenities I could ask for.

The place was nice and neat. All the basic essentials and amenities were here. What I love the most on the apartment is the balcony, especially in the morning with my cup of coffee. I wish Faateh Real State would build more of this apartment, so many people would also experience such a good stay. More to that, Mr. Wewe Salinas was very accommodating and professional, as he really knows what his guest wants. I really had a blast here.
