

1. INTRODUCTION, CONTRACT FORMATION, SCOPE, AND CHANGES

1.1 These General Terms and Conditions – Services (2025) (the “Conditions”) shall, unless otherwise agreed in writing, apply to all services performed (“Service Work”) by any authorized member, agent, or representative of the Hamworthy International Ltd (the “Contractor”) for a customer (the “Customer”).

1.2 Offers are non-binding until accepted and confirmed by a purchase order issued by the Customer in compliance with these Conditions. Upon receipt of the Customer’s purchase order, the Contractor may issue an order acknowledgement or begin work, in either case forming a “Contract”. These Conditions shall form an integral part of the Contract.

1.3. Any Customer-introduced terms inconsistent with or additional to the Conditions are hereby disclaimed, shall not be incorporated into the Contract, and shall have no effect unless signed by the Contractor’s authorised representative.

1.4 The Contractor’s offers are conditional on credit approval and discharge of any existing debts. The Contractor may rescind any offer or suspend or terminate the Contract without liability to the Customer if the Customer does not discharge existing debts or is deemed, at the Contractor’s sole discretion, not credit worthy.

1.5 The Customer may not change or cancel any purchase order after it has been received by the Contractor unless the Contractor has agreed in writing to such change or cancellation. The Customer shall pay any applicable rescheduling, cancellation, or variation order fees as per the Contractor’s latest rates.

1.6 Depending on conditions encountered or discovered after formation of the Contract, the Contractor may recommend reasonable changes to the scope of the Service Work or Physical Work and the Customer shall pay for any additional Service Work provided by the Contractor because of such changes.

1.7 The Customer shall compensate the Contractor for any increases in the Contractor’s cost of performing the Service Work arising after the Contractor’s offer because of the actions or omissions of the Customer or a third party not under Contractor’s control (such as, but not limited to a change of law or a Force Majeure event) if such increases are not foreseeable at the time of the offer or are not reasonably preventable by the Contractor’s actions.

2. SCOPE OF SERVICES

2.1 The Contractor shall perform the Service Work specified in the Contractor’s order acknowledgement. Service Work may be delivered onsite or remotely.

2.2 Service Work may include: (1) “Field Service”, that is, the attendance of a service technician or technical manpower (“Primary Service Technician”) provided by the Contractor to perform installation, commissioning, repair, reconditioning or maintenance of the Customer equipment; (2) “Workshop Services”, that is, the inspection, overhaul, replacement or reconditioning of the Customer’s parts at the Contractor’s workshop; (3) “Technical Advisory Services”, that is, the provision of technical advice by the Contractor’s technical expert(s) (“Technical Advisor”); (4) “Investigation Services”, that is, the inspection or investigation of the condition or performance of the Customer parts or equipment; (5)

“Underwater Services”, that is, any Field Service or Investigation Service that is performed underwater or that is wholly or partially performed by diving; or (6) other services as specified in the Contractor’s order acknowledgement.

2.3 If the Contractor is providing Technical Advisory Services, the Contractor is not responsible for performing any installation, repair, or maintenance of equipment (the “Physical Work”). The Customer shall provide adequate Primary Service Technician(s) to complete the Physical Work and ensure that they fully cooperate with the Contractor’s Technical Advisor(s). The Customer shall have no right to employ the Contractor’s personnel for Physical Work unless the Contractor has undertaken that its Technical Advisor(s) will perform such work in its order acknowledgement. A Technical Advisor is not a supervisor or superintendent over the Primary Service Technician(s) or of the Physical Work. Where providing Technical Advisory Services, the Contractor disclaims all responsibility for Physical Work performed by the Customer’s Primary Service Technician(s). Any Physical Work directly performed by the Contractor’s Technical Advisor(s), and any participation by the Contractor’s Technical Advisor(s) in the Physical Work, shall, unless duly recorded in the Service Report as Physical Work performed by the Contractor’s Technical Advisor(s), be deemed ancillary and incidental to their role, and shall not give rise to any additional warranty obligations or liability. Physical Work duly recorded in the Service Report as having been performed by or with the involvement of the Contractor’s Technical Advisor(s) shall be treated as Field Service.

2.4 Unless otherwise stated in the Contractor’s offer or order acknowledgement, Workshop Services does not include transportation of the Customer’s parts to and from the Contractor’s workshop. The Customer shall arrange to deliver the parts DDP Contractor’s workshop, and to pick up the parts FCA Contractor’s workshop once the Service Work is completed.

2.5 Investigation Services do not include any guarantee as to the results or condition of the Customer equipment or part investigated, and do not give rise to a warranty. 2.6 The Contractor may prepare a service report describing, e.g., the Service Work it has performed, the conditions it encountered – including the prior condition of the equipment being serviced -- and any relevant observations and recommendations for the Customer (the “Service Report”). Service Reports are prepared, shared and stored at the Contractor’s sole discretion and for the Contractor’s benefit, and the Contractor has no obligation to preserve Service Reports for the Customer’s benefit unless separately agreed in writing. Service Reports are not works made for hire, and copyright shall vest and remain with the Contractor. If copyright to such Service Reports vests to the Customer under applicable law, the Customer agrees to take all necessary actions (at its own expense) to assign such copyright to the Contractor. If a Service Report is shared with the Customer, it is provided on an ‘as is’ basis with no warranty whatsoever, express or implied. The Contractor makes no representation that Service Reports are accurate, complete, or timely. Irrespective of any Customer confidential information they may contain, Service Reports shall be deemed solely confidential information of the Contractor under Section 3.1 of these Conditions.

3. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

3.1 Neither party shall copy or disclose to a third party any document or data provided by the other party on a confidential basis (as clearly indicated in writing at the time of the initial disclosure) without the prior written consent of the other party or use them for purposes other than those for which they were provided. Intellectual property rights associated with the Service Work, or any document or data provided by the Contractor in connection therewith shall remain the Contractor's property. The Customer shall defend, indemnify, and hold harmless the Contractor against all claims, losses, and damages, including reasonable attorneys' fees, arising out of, or resulting from any reuse, modification, reproduction or publication of the Contractor's intellectual property documents or data. To the extent there is a conflict between the foregoing provisions regarding confidentiality and intellectual property and any terms or conditions of any software license agreement, the terms and conditions of such software license agreement shall prevail.

3.2 Notwithstanding anything to the contrary, companies belonging to Hamworthy Group shall have the right to collect data from sensors, instruments, monitors, data collectors, industrial control or SCADA devices located at Customer's sites or on the equipment delivered, or if agreed between the parties through any digital platform managed by the Customer or an authorized third party for storing such data, and use such data, including but not limited, to support and develop its products, solutions and services. Data may be transferred within Hamworthy Group and to third parties who act for or on its behalf for processing the data. Companies belonging to Hamworthy Group shall own any enrichment, report or derivative work developed or derived from such data. The rights granted hereunder shall survive any termination or expiration of the Contract.

3.3 Subject to the Customer's compliance with the Contract and these Conditions, the Contractor grants the Customer a non-exclusive license to use any software supplied with the Service Work ("Software") in connection with the normal and proper use of the applicable products. If Software is supplied as part of the Service Work, the term Service Work shall be deemed to include Software whenever used in these Conditions. The Customer may make copies of the Software only where essential for its lawful operation or for necessary back-up purposes. The following terms apply to the Software: (1) Customer shall not copy, modify, create derivative works from, disassemble or otherwise attempt to derive the source code; (2) supply of Software does not include updates, upgrades, maintenance, support or other additional services and any such items shall be subject to separate written agreement and additional cost; (3) the use of the Software may be subject to separate terms of use or third-party software terms as updated from time to time; (4) any onward supply of the Software to the Customer's customers or other end users, shall be subject to the applicable terms of the Contract and these conditions (or substantially equivalent terms). If any cloud-based service is supplied in connection with the Services ("Cloud Service") then the Customer may access the Cloud Service for the duration agreed in the Contract.

4. PERFORMANCE, DELIVERY, ACCEPTANCE

4.1 The Customer shall be deemed to have accepted the Service Work performed by the Contractor and the quality and quantity of any parts delivered as part of the Service Work as being in accordance with the Contract unless the Customer has notified the Contractor of any non-conformity, shortages, or damage within three (3) days following the last day on which the Service Work was performed. Any date or period for dispatching or completion

stipulated or quoted shall be deemed to be an estimate only, and there shall be no express or implied time limit in dispatching or completing any Service Work.

4.2 If the Customer anticipates that the Service Work cannot be commenced or a delivery accepted as agreed in the Contract due to reasons attributable to the Customer, the Customer shall notify the Contractor in writing stating the reason and the time when the Customer anticipates that the Service Work could commence, or the delivery be accepted. The Contractor may by notice require the Customer to set a final reasonable time for when the Service Work should commence, or the delivery be accepted. Any additional costs related to such delay shall be borne by the Customer, including as further described in Clauses 1.6, 1.7 and 9.3.

4.3 All references to trade terms shall be interpreted in accordance with Incoterms® 2020. Any date or period for delivery or completion of services stipulated or quoted by the Contractor shall be deemed to be an estimate only. Packing materials shall not be returned to the Contractor.

4.4 The Contractor has a right to suspend the performance of its obligations under the Contract if it is reasonably clear from the circumstances that the Customer will not be able to perform its obligations as stated in the Contract.

5. COMPENSATION, PAYMENT, AND OWNERSHIP

5.1 If not expressly agreed otherwise in writing, the Contract's price is based on the Service Work performed during normal working hours. Time sheets for each week shall be provided by the Contractor to the Customer and shall be promptly checked and attested by the Customer. The time sheets provided by the Contractor shall be deemed to be evidence of the working hours invoiced by the Contractor. Hourly rates, overtime rates and daily allowances shall be as specified in the Contractor's standard rates then in effect (such rates are subject to change from time to time). The Customer will be charged a daily allowance for each of the Contractor's personnel based on the number of working days from the date of departure of such personnel until their return. Unless otherwise agreed in writing, a normal working week is comprised of forty (40) hours; eight (8) hours per working day, spread over five (5) working days. Local holidays shall be observed. Unless otherwise agreed, any Service Work done outside normal working hours shall be charged to the Customer as overtime. Any waiting and/or stand-by time for which the Contractor is not responsible shall be charged to the Customer as normal working time. Time spent by the Contractor's personnel travelling to and from the Contractor's office, the work site and the Customer-provided lodging shall be for the Customer's account. The daily remuneration and allowances shall be payable during incapacity caused by sickness of or accident to any of the Contractor's personnel if caused by failure of the Customer to maintain safety in the work site environment.

5.2 All travel expenses, plus ten percent (10%) handling cost, incurred in connection with the Contract shall be for the account of the Customer. Travel expenses include: (a) fares for journey by rail, sea, air, car and/or bus; (b) carriage, freight and customs duties as well as insurance due in connection with personal effects, instruments and tools required for the Service Work, including necessary costs for overweight on air freight; and (c) all out-of-pocket

expenses incurred by the Contractor for the Service Work ordered by the Customer, such as internet use, facsimile and telephone calls.

5.3 In the event of any illness or accident affecting any of the Contractor's personnel, whether during the performance of Service Work or otherwise, necessitating medical attention or hospital treatment, the Customer shall ensure that the best and appropriate medical facilities and medications are made available to the Contractor's personnel. If it is necessary to repatriate an ill, injured, or deceased member of the Contractor's personnel, the Customer shall assist the Contractor in arranging for such repatriation in the safest and most expedient manner. All costs incurred under this Clause 5.3 shall be borne by the Contractor.

5.4 Unless otherwise agreed, payment shall be made by bank remittance in the currency and to the bank account set forth in the invoice within twenty (20) days following the date of the invoice. Payment shall be made in full without any set off, counterclaim or deduction, all expenses for remitting payments being borne by the Customer. The Customer shall pay interest on overdue payments from the maturity date until the actual date of payment at the rate of one and one quarter percent (1.25%) per month, compounded monthly. The Customer shall pay the Contractor all costs related to the collection of overdue amounts, including reasonable attorneys' fees. In the event any payment is more than thirty (30) days late, the Contractor shall be entitled to suspend or terminate the Contract by written notice to the Customer, and such remedies shall not be exclusive of the Contractor's additional rights under contract or law. Title to any part, material, equipment, supplies, consumables or replacement and any other items furnished, provided, or supplied by the Contractor in performance of the Service Work shall pass to the Customer only when payment in full has been received by the Contractor. The Contractor may as a precondition for the performance of the Service Work, request that the Customer provides the Contractor with security covering any unpaid amount already owed to the Contractor or one of its affiliates.

5.5 Any assistance or work performed by the Contractor outside the scope of Contract shall be charged as extra work in accordance with the Contractor's standard rates then in effect and with these Conditions.

5.6. All prices quoted in the Contractor's offer, order acknowledgement, price lists(s) or invoices are net and exclude taxes, duties, tariffs and similar assessments which are payable in addition as applicable. The Contractor reserves the right to make changes to its price list(s) without prior notice.

6. WARRANTY

6.1 For Service Work where the Contractor is providing Field Service, Underwater Field Service, or Workshop Services, the Contractor shall reperform, in whole or in part, at its sole discretion, any defective Service Work which appears during the warranty period. If providing Technical Advisory Services, the Contractor shall revise or supplement any erroneous technical advice discovered during the warranty period but provides no warranty or remedy for Physical Work performed by the Customer's Primary Service Technician(s) or warranty as to the general condition of equipment with respect to which the Contractor has provided Technical Advisory Services. Investigation Services do not give rise to any warranty. Service

Work does not create a general warranty for the equipment, part or component serviced, and the Contractor's sole warranty obligation is to re-perform any defective Service Work.

6.2 The Customer shall immediately take appropriate steps to prevent any defect from becoming more serious, and to enable the Contractor to perform its warranty obligations under Clause 6.1 in a cost-effective manner either at the original location where the Service Work was performed or at another location acceptable to Contractor.

6.3 All warranty claims shall be made in writing without delay and not later than fourteen (14) days following discovery of such defect during the warranty period. The Customer shall have the responsibility to establish that its claim is covered by this warranty. Parts replaced by the Contractor under warranty shall become the Contractor's property and upon the Contractor's request, be returned at the Contractor's cost. Delivery of repairs or re-performance under this warranty will be made in accordance with the original Contract delivery terms. The Contractor warrants that any Software shall not contain any material non-conformance with the Contractor's technical specification for such software during the warranty period and that the Cloud Service will perform substantially in accordance with the Contract and the Contractor's technical specifications for the duration of the applicable term provided in the Contract.

6.4 The warranty period for the Service Work begins on the date of delivery and ends six (6) months from the last day of performance of the applicable Service Work. The warranty period in respect of Service Work which has been re-performed under the warranty shall expire six (6) months following the last day on which the Service Work was re-performed under the warranty. The re-performed Service Work, and the warranty for re-performed Service Work, shall be subject to the same terms, conditions, and limitations of liability applicable to the originally-performed Service Work. Under no circumstances shall the warranty period of any Service Work (whether original or re-performed) extend beyond the date that is twelve (12) months following the date of commencement of the original warranty period as stipulated above in the first sentence of this Clause.

6.5 The Contractor shall not be liable for, and the warranty of this Clause does not apply to any defect due to or arising in connection with: (1) any Physical Work performed by Primary Service Technicians provided by the Customer, (2) any materials, components, tools, designs or software provided by the Customer; (3) negligence or wilful misconduct of the Customer or third parties; (4) parts, accessories or attachments other than those supplied by the Contractor in the course of performance of the Service Work; (5) improper service work, installation or alterations carried out by the Customer; (6) normal wear and tear; (7) use of unsuitable material or consumables by the Customer; (8) fluctuation in the grid; (9) any use, service or operation of any equipment, parts or components upon which Service Work was performed which is not in conformity with manuals, instructions or specifications provided by the Contractor or which is otherwise not in accordance with normal industry practice; or (10) any non-conformities, defects (including latent defects), damage, vulnerabilities, or problems with the Customer's equipment or parts which predate the Service Work, even where the Service Work specifically includes Investigative Services intended to identify such pre-existing conditions or Workshop Services to re-condition a part. The Contractor's warranty obligation does not include any cramage, electricity, scaffolding, docking, towage costs, demounting or mounting costs, additional costs and expenses incurred by Contractor as a

result of Customer's request to reperform the Service Work at a location different than the original location, and expenses of the Contractor's personnel or representatives, taxes, and duties, and all such costs and expenses shall be reimbursed by the Customer to the Contractor when applicable. The Contractor's warranty obligation also does not include diving or sub-sea work, except if the Contractor originally provided Underwater Services. If, after the Contractor's warranty investigation, the Contractor (at its sole discretion) concludes that the Customer does not have a warranty claim within the scope of these Conditions, then the Customer shall be responsible for all applicable costs and expenses incurred by the Contractor in investigating or responding to the warranty claim.

6.6 THIS CLAUSE 6 SETS FORTH THE ONLY WARRANTY APPLICABLE TO THE SERVICE WORK AND IS IN LIEU OF ANY OTHER WARRANTIES, GUARANTEES, OBLIGATIONS AND LIABILITIES EXPRESS OR IMPLIED INCLUDING WARRANTIES, GUARANTEES, OBLIGATIONS OR LIABILITIES AGAINST NON-CONFORMITY OR DEFECTS. THE CUSTOMER HEREBY WAIVES ALL OTHER REMEDIES, WARRANTIES, GUARANTEES AND LIABILITIES, EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE (INCLUDING WITHOUT LIMITATION FITNESS FOR PURPOSE, MERCHANTABILITY OR SATISFACTORY QUALITY) WITH RESPECT TO ANY NON-CONFORMITY, DEFECT, ERROR, OR OMISSION ASSOCIATED WITH THE SERVICE WORK. THE CUSTOMER ACCEPTS THE SOFTWARE AND CLOUD SERVICE "AS IS" AND AS AVAILABLE. THE CONTRACTOR DOES NOT GUARANTEE THAT THE SOFTWARE OR CLOUD SERVICE WILL BE ERROR-FREE, VIRUS-FREE, UNINTERRUPTED OR FREE FROM VULNERABILITIES, OR THAT THE CONTRACTOR WILL CORRECT ALL ERRORS. THE CUSTOMER ACKNOWLEDGES THAT THE CONTRACTOR DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, AND THAT THE CLOUD SERVICE MAY BE SUBJECT TO LIMITATIONS, DELAYS AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. THE CONTRACTOR IS NOT RESPONSIBLE FOR ANY DOWNTIME OR OTHER PROBLEMS IN THE CUSTOMER'S OR ANY OTHER THIRD PARTY'S SYSTEMS. THE CONTRACTOR IS NOT LIABLE FOR DELAYS, DELIVERY FAILURES OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS.

7. CONTRACTOR'S LIABILITY

7.1 IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, BREACH OF WARRANTY, TORT LIABILITY (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE, SHALL THE CONTRACTOR BE LIABLE FOR ANY INDIRECT, CONTINGENT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES, HOWEVER CAUSED OR ARISING (WHETHER ACTUAL OR ANTICIPATED) NOR FOR LOSSES OR DAMAGES (WHETHER ACTUAL OR ANTICIPATED) CAUSED BY REASON OF UNAVAILABILITY OF THE EQUIPMENT OR THE FACILITY, SHUTDOWNS OR SERVICE INTERRUPTIONS, LOSS OF USE, LOSS OF PROFITS OR REVENUE, LOSS OF SAVINGS, LOSS OF REPUTATION, INVENTORY OR USE CHARGES, COST OF PURCHASED OR REPLACEMENT POWER, INTEREST CHARGES OR COST OF CAPITAL, ANY CLAIMS OF THE CUSTOMER'S CUSTOMERS, PUNITIVE OR EXEMPLARY DAMAGES, THE COST OF SUBSTITUTED EQUIPMENT, SPARE PARTS

OR SERVICES OR REPLACEMENT, REMOVAL OR REINSTALLATION SERVICE WORK NOT ARISING FROM THE WARRANTY PROVIDED HEREIN, TOWAGE CHARGES, POLLUTION REMEDIATION COSTS, COSTS OF DOCKING, DIVING OR SUB-SEA WORK, DAMAGE TO ANY VESSEL, ENGINE ROOM OR POWER PLANT SITE, YARD OR OTHER PROPERTY (INCLUDING DAMAGE TO GOODS OWNED BY THE CUSTOMER), DAMAGE TO ANY EQUIPMENT OR PROPERTY OTHER THAN THE EQUIPMENT, COMPONENTS OR PARTS ON WHICH SERVICE WORK WAS DIRECTLY PERFORMED HEREUNDER, COSTS FOR ANY ADDITIONAL TESTS, SEA TRIALS, DEBRIS REMOVAL OR FOR LOSS OF TIME OR USE OF ANY EQUIPMENT, INSTALLATION SYSTEM, OPERATION OR SERVICE, LOSS OR CORRUPTION OF DATA.

7.2 NOTWITHSTANDING ANY OTHER PROVISION OF THE CONTRACT, IN NO EVENT SHALL THE CONTRACTOR'S AGGREGATE LIABILITY TO THE CUSTOMER UNDER THIS CONTRACT, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR ANY OTHER LEGAL THEORY OR EQUITY, EXCEED THIRTY PERCENT (30%) OF THE CONTRACT PRICE.

7.3 The Contractor shall not be liable for any work carried out by the Customer, the Customer's Primary Service Technician(s), or by any third party, even though carried out under the direction or supervision of, with assistance from, or vetted by the Contractor's personnel or Technical Advisor(s). The Customer shall bear the risk of loss of its equipment and other goods in connection with the Service Work, even if such equipment or goods are in facilities used by the Contractor.

7.4 The Contractor shall not be liable for any harm, injury or damages due to or arising in connection with: (1) limited, inaccurate, or insufficient visibility, information or situational awareness where the Service Work is performed remotely, (2) software provided by the Customer; (2) monitoring, digital and/or cybersecurity-related systems other than those provided by the Contractor; or (3) improper service work, installation or alterations carried out by the Customer on any monitoring, digital and/or cybersecurity-related systems. Improper service work includes any act or omission which contradicts the recommendations regarding maintenance, configuration or operation issued by the supplier or manufacturer of the system resulting in detrimental reliability or increased possibility of failure.

8. INSURANCE

Each of the Contractor, the Customer, and any subcontractor of the Customer providing Primary Service Technician(s) to the Customer, shall at its own cost provide for and maintain comprehensive insurance coverage to protect its own property and personnel and cover its general liability. Each party shall obtain a waiver of all rights of recourse and subrogation against the other party from its insurers as well as indemnify and hold the other party harmless for all claims of or by either of the parties' insurers.

9. FORCE MAJEURE AND OTHER EXCUSABLE DELAYS

9.1 Neither the Contractor nor the Customer shall be liable for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, caused by, or arising from an event of force majeure ("Force Majeure"). Force Majeure means any events or circumstances (whether foreseen or unforeseen) which are beyond the reasonable

control of the party affected, and includes without limitation acts of God, wars whether declared or not, any events involving armaments of war, civil wars and riots, hostilities, public disorder, acts of terrorism and severe threat of terrorism, cyber incidents, any measures taken by public authorities in connection with threat of terrorism, embargos and import or export restrictions, acts of civil or military authorities, any lawful or unlawful restrictions and actions of any public authority or government, sanctions, boycotts, fire, flood, accidents, strikes, failure of a subcontractor or sub-supplier of the Contractor to provide manpower, materials or goods caused by an event that qualifies under this Clause 9.1, shortage of transportation, the imposition of transport restrictions or customs clearance problems, epidemics, unusually severe weather affecting either party, or causes beyond their control.

9.2 Once a party is aware that its performance under the Contract is affected by Force Majeure, the affected party shall, without undue delay, give written notice to the other party briefly setting out relevant details of the delay.

9.3 If the Service Work cannot be commenced as agreed or is interrupted due to reasons of Force Majeure or for other reasons not attributable to the Contractor, the costs for maintaining personnel at or near the work site (including, without limitation, wages and lodging) will be borne by the Customer. If the interruption continues for more than one week, the Contractor may, at its own discretion, withdraw such personnel to their home location or another reasonable location. All expenses in relation to such withdrawal and/or subsequent return shall be borne by the Customer. All reasonable additional costs incurred by the Contractor because of the suspension and any subsequent resumption or completion of the Service Work shall be reimbursed by the Customer.

9.4 If the period of suspension exceeds two (2) months, either party may terminate the Contract by three (3) days' notice in writing to the other party without prejudice to the rights of either party up to the date of termination. Any termination because of Force Majeure shall not affect a party's right to receive payment in respect of all costs incurred, as at the date of the termination notice, in pursuit of its obligations.

10. SECURITY AGREEMENT

To the extent permitted by law, the Customer hereby grants to the Contractor a lien on and a continuing security interest, and when applicable a maritime lien for necessaries, in and to all equipment, parts and components upon which the Service Work is performed and all products and proceeds derived from the sale or lease thereof as security for the payment in full of such Service Work. The Customer hereby waives all claims, defences, and causes of action that the Customer may have in connection with the exercise of any such lien rights by the Contractor.

11. THE CUSTOMER'S ADDITIONAL PERFORMANCE OBLIGATIONS

The Customer shall comply with all laws, rules, and regulations applicable to the performance of the Service Work. The Customer shall provide or secure for the Contractor, at no cost, all the following facilities, rights and services which must be in English or another language acceptable to the Contractor's personnel, and of sufficient type, quality and/or

quantity for the Contractor's performance of the Service Work, unless otherwise agreed to in writing by the parties:

11.1 Ancillary manpower equipped with appropriate tools (such as drills and hand lamps), heavy duty hoisting and transport facilities along with the necessary fuel, lubricants, water, electricity, compressed air and cleaning facilities for the Contractor's performance of the Service Work;

11.2 Heated and/or air-conditioned facilities with available drinking water for the Contractor's personnel near the work site as follows:

(a) service storage sheds with locks, equipped with shelves and bins for tools, equipment and supplies of the Contractor's personnel;

(b) changing rooms, provided with locks, toilet and washing facilities for the use of the Contractor's personnel; and

(c) furnished offices with locks, equipped with telephones, facsimile, internet, and other communication requirements of the Contractor's personnel.

11.3 Heated and/or air-conditioned boarding and lodging facilities for the Contractor's personnel that must:

(a) be safe, secure, clean, and free of health risks;

(b) have a satisfactory level of comfort and privacy, allowing for a good rest;

(c) have a toilet and shower, with privacy, located near the cabin or the lodging facility;

(d) have freedom to access leisure or social activities after work;

(e) have access to internet; (f) lodge a maximum of 2 persons per cabin or room, without "Hot bedding", and clean laundry provided at regular intervals; and

(g) have choice of hot meal.

11.4 Assistance requested by the Contractor with the customs formalities required for the import and export of the Customer's parts and the Contractor's equipment and tools, free of all duties and taxes.

11.5 Assistance to ensure that the Contractor's personnel obtain visas and any other official entry, exit, residence, working, or activity-specific permits (e.g. diving permits) that may be required by the authorities or commercial entities controlling the work site, including to secure free ingress to and egress from the work site and freedom to carry out the Service Work.

11.6 Information concerning: (i) the local laws and regulations applicable to the Service Work; (ii) any dangerous conditions or unusual risks that may be encountered in the Customer's country, at the work site or in the use of any equipment or tools provided by the Customer; and any information about specific conditions, including weather and ocean conditions, at the work site that the Contractor may reasonably request.

11.7 Additional safety or accommodation measures reasonably requested by the Contractor, as may be specified in bulletins or minimum work site safety and accommodation requirements for its personnel published by the Contractor from time to time.

11.8 Any reasonable assistance from the Customer's employees and subcontractors as needed for the Contractor to perform its Service Work.

11.9 The right to access the location where the Service Work will be performed, including securing such right from third parties if the premises are owned or controlled by a third party (such as a shipyard), without the need for the Contractor to undertake any additional obligations or liabilities beyond this Contract as a precondition to access.

11.10 In the event the Customer is unable or unwilling to provide a facility, right or service specified in this Clause 11, the Contractor may, at its option, terminate or suspend the Contract without liability to the Customer, or itself secure such facility or service at the expense of the Customer.

12. ENVIRONMENTAL, HEALTH AND SAFETY RESPONSIBILITIES

12.1 The Customer shall adhere to the Contractor's then-current Safety and Well-Being Pledge, which is available here: [Hamworthy Safety and Wellbeing Pledge](#). The Contractor may support with any remediations needed to bring the Customer into compliance with the Safety and Well-Being Pledge as additional Service Work, and the Customer shall pay for such additional Service Work that it requests the Contractor to perform.

12.2 If, in the Contractor's reasonable opinion, the health, safety, welfare or security of personnel or the work site is, or is apt to be, imperilled by security risks, terrorist acts or threats, the presence of or threat of exposure to hazardous materials or unsafe working conditions or environment (whether or not specific to the site), the Contractor and its representatives have the same responsibility and authority as the Customer to stop the Service Work. The Contractor may, in addition to other rights or remedies available to it, (i) evacuate some or all its personnel from the work site, (ii) suspend performance of all or any part of the Contract, and/or (iii) remotely perform or supervise the Service Work. Any such occurrence shall be considered an excusable event without any liability to the Contractor. The Customer shall reasonably assist in any such evacuation. All reasonable additional costs incurred by the Contractor because of the suspension and any subsequent resumption or completion of the Service Work shall be reimbursed by the Customer.

12.3 Operation of the Customer's equipment is the responsibility of the Customer. The Customer shall ensure sufficient safety measures and procedures are followed, when implementing the Contractor's instructions or advice.

12.4 The Contractor has no responsibility or liability for the pre-existing condition of the Customer's equipment or the work site.

12.5 The Customer shall disclose to the Contractor industrial hygiene and environmental monitoring data regarding conditions that may affect the Contractor's work or personnel at the work site. The Customer shall immediately inform the Contractor of changes in any such conditions.

12.6 The Customer represents and warrants to the Contractor and agrees to ensure that the work site, surrounding environment, all equipment provided or otherwise made available to the Contractor's representative in connection with the Service Work rendered in connection with this Contract and all products and equipment serviced or otherwise worked on by the Contractor's representatives in connection with this Contract, shall at all times be safe, suitable and sufficient for the designated tasks, free of Hazardous Materials and/or contaminated substances, risks of infectious disease or outbreak of illness, elements or waste of any kind that are restricted by applicable laws or regulations and hazardous to the health or safety of the Contractor's representatives. If the Customer is in breach of any such representation, warranty or covenant, the Contractor may immediately cease performance under this Contract and the Customer shall be liable for the full amount of the fees due under this Contract for all services provided through the date of such termination.

12.7 The Contractor shall notify the Customer if the Contractor becomes aware of: (i) conditions at the work site differing materially from those disclosed by the Customer; or (ii) previously unknown physical conditions at work site differing materially from those ordinarily encountered and generally recognized as inherent in Service Work of the character provided for in the Contract; (iii) changes in conditions, such as metocean or meteorological conditions, that would render it unsafe to continue the Service Work; or (iv) the work assignment extending beyond the acceptable daily limit (as detailed in the Safety and Well-Being Pledge) or the applicable legal limit of work hours, whichever is shorter, in a single work shift. If any such conditions cause an increase in the Contractor's cost of, or the time required for, performance of any part of the Service Work under the Contract, an equitable adjustment in price and schedule and the Contractor's rest cycle shall be made.

12.8 If the Contractor encounters Hazardous Materials in the Customer's equipment or at the work site that require special handling or disposal, the Contractor is not obligated to continue Service Work affected by the hazardous conditions. In such an event, the Customer shall eliminate the hazardous conditions in accordance with applicable laws and regulations so that the Contractor's Service Work under the Contract may safely proceed, and the Contractor shall be entitled to an equitable adjustment of the price and schedule to compensate for any increase in the Contractor's cost of, or time required for, performance of any part of the Service Work. The Customer shall properly store, transport, and dispose of all Hazardous Materials introduced, produced, or generated during the Contractor's Service Work at the work site. The Customer shall be responsible for all costs and expenses related to the management, handling, clean-up, removal and/or disposal of all Hazardous Materials and/or contaminated substances, elements or waste of any kind as defined by applicable laws and regulations or applicable to the Service Work supplied.
