# Imagine what you could do with the iFlex Mobile App

Check Balances

Wondering whether you can pay for an elective procedure or a mounting bill? Do a quick account check to see your current balance. No need to wait for an answer – it's right at your fingertips.

Scan Expenses

How can you easily determine which products can be paid for using your account funds? With the iFlex Mobile App, you can simply scan a product bar code to help determine eligibility as a qualified medical expense.

That's peace of mind with a touch of a button.

With a quick barcode scan, you'll know in an instant whether an item qualifies as an eligible expense
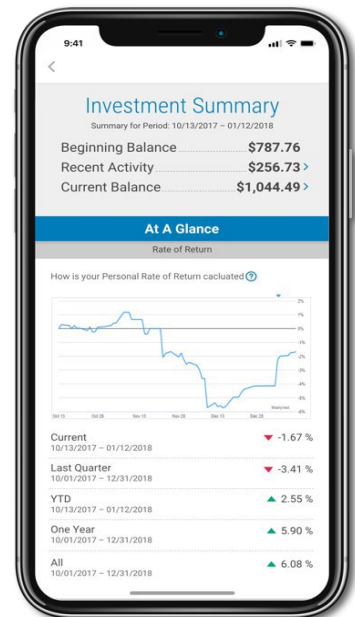

Make Payments Quickly

Record a health expense and capture the receipt the moment the transaction happens. Easily add payees and pay bills from any account. And, if you pay out of pocket, file a claim with a receipt or request a distribution from your HSA
– right from your phone.

Manage HSA Investments

Keep track of your HSA investment performance wherever you are. In addition to balance and activity details, a graphical snapshot shows the rate of return and performance over time. Analyze your asset mix and allocations with easy- to-read graphs to make informed decisions about your healthcare.

Check the activity of your HSA investments at any time, right from your mobile device.
