Email or fax

You can also email your scanned claim form to ClaimsIntake@rsli.com or fax to 267 256-4262.

You will need a valid email address and some general information to get started. You will not need your policy number to submit a claim. Depending on which type of claim you are submitting, you should be ready to provide information such as: name, address, gender, date of birth, phone number, Social Security number, employer's name and address, your injury/condition and physician or medical provider information.

After we receive your submission, we will contact you to verify your information and gather any additional information needed to process your claim and discuss next steps.
