

About our Membership

- Our **in-office membership program** is designed for those who are looking to become long-term patients of our practice but do not have an insurance plan.
- Our VIP Membership includes across-the-board **loyalty discounts** from our usual and customary fees.
- It also includes **12 months of coverage** and can be used on the same day as enrollment.

Dentistry with a purpose.

A portion of membership fees are donated to local charities and causes that're sourced from our amazing patients!

Our Doctor

Ryan is a fifth-generation Point Loma native. Just around the corner from the current office location, his great-grandfather founded Kettenburg Boat Works and crafted timeless wooden boats that can still be seen cruising the San Diego Bay today. He earned his Doctorate from Midwestern University, one of the most technologically advanced dental institutions in the nation. He is an associate fellow and active member of numerous professional dental organizations.
