ASOLO TACTICAL WORKBOOK

2026

Founded in the mountains of northern Italy by Giancarlo Tanzi, Asolo have been redefining mountain footwear since 1975. The brand is famed for introducing the first-ever mountain boots made with leather and Cordura to the market, followed shortly afterwards by the first Gore-Tex-lined boots. Asolo's iconic innovations have forever changed the way outdoor boots are built, making them a renowned name amongst the outdoor elite.

Today, Asolo remains a family-run business under the Zanatta family, who bring four generations of Italian shoemaking expertise. Their commitment to combining traditional craftsmanship with cutting-edge materials makes them a natural fit for Brigantes.

Asolo footwear is designed to perform optimally in the most demanding environments with no compromise on quality, fit, or reliability. It's footwear built for professionals who need to trust every step.
