LIGHTWOOL 140

Aclima's Lightwool range of soft and lightweight garments is designed to be worn closest to the skin. Constructed with 100% merino wool, these pieces offer intelligent temperature regulation, odour and bacteria resistance and itch-free comfort.

LIGHTWOOL RANGE - MEN'S

A/W 26

NAME LIGHTWOOL 140 UNDERSHIRT TEE M'S
SKU: 106318

LightWool Undershirt Tee is a soft t-shirt designed for active use. Flat seams (flatlock) minimise the risk of skin irritation, for example when wearing a backpack. It has a slightly tighter fit than other Aclima t-shirts, so it works perfectly as a base layer under other garments.

TECHNICAL INFORMATION

Fibre: 17,5 micron
Fit: Slim Fit
Layer: Underwear
Material: 100% Merino

NAME LIGHTWOOL 140 SPORTS TEE M'S
SKU: 104785

LightWool Sports Tee is a short-sleeved crew neck top. The LightWool material has been combined with a finer wool mesh under the arms and on the back to provide optimal ventilation and quickly wick away sweat from the body. A super-flexible garment that offers maximum freedom of movement and comfort.

TECHNICAL INFORMATION

Fibre: 17,5 micron
Fit: Regular
Layer: 1st Wool Layer
Material: 100% Merino
