NAZKA

PRIVATE HIRE · SEPTEMBER - DECEMBER

**Cocina mestiza,
all to yourselves.**

NAZKA is now yours to host in, exclusively.

OUR KITCHEN

More than one identity.

Amsterdam has known us as its premier Peruvian restaurant for years, and we're not giving that up. But a kitchen is a living thing, and ours has been wandering. Our chef cooks Lima with an Indian hand. Call it neo-Peruvian. Or Indian-Peruvian.

We prefer to call it *cocina mestiza* — a cuisine that carries more than one identity, like most of the people dining here.

THE ROOM

Breezy. Metropolitan. Refined.

What hasn't changed: the quality of our food and wines. Outstanding — our guests' words, not ours. And the room. Breezy, metropolitan, refined.

The right setting for a company with a cosmopolitan profile and a preference for having the place to itself. Exclusivity, without the hush of a private dining room.

FULL PRIVATE HIRE

Something that matches the outlook of your firm.

Something that matches the international outlook of your firm, your people, your clients. For the festive months ahead, September through December, NAZKA is available for full private hire.
