jerusalem garden

ann arbor's freshest middle eastern eatery est. 1987

WELCOME! We are a local, independent eatery proudly offering fresh, delicious Middle Eastern fare. Palestinian immigrant Mr. R. opened JG in summer 1987 in a tiny shop on Fifth Ave. In 2015, we moved around the corner to Liberty St., offering the same delicious food in a bright, more spacious dining room. We love calling Ann Arbor home—we hope you enjoy your culinary experience!
