

## 1. Bridgestone Feedback

- QLD No Problems competitors are content. Tech presence has been appreciated. More signage has been queried. Some guys went faster. Generally, content. No tyre support was required.
- NSW Five Bridgestone staff competitors have appreciated. Some guys went faster. Generally, content. No tyre support was required.
- VIC Heavy V8 are concerned about green tyre advantage and using more tyres. Most of the competitors aren't experience the same issues as the heavy cars. V8 testing at Phillip Island for RZ tyre.
- TAS First round had some teething issues at the first round in the country. Tyre has performed quite well at both tracks.
- SA competitors still seeking track support. Magna drivers had some concerns about life on heavy front wheel drive.
- WA One competitor has buffed tyres. Track Support has been an issue.
- NT yet to run an event
- Buffing concerns were raised an whether to take actions
- 38psi hot pressure are an upper limit. Vic Delegate was getting max lateral at 34 psi.

## 2. Fuel challenges

Motorsport communication noted

## 3. Webpage (Karmabunny)

Progress is continuing

## 4. Video development (Dusty Media)

Video will progress once Matthew Totani returns from B6HR

## 5. Logo development

Cheaper options to be actioned

## 6. Member enrolment (Rookie Program & GEN2)

Clubs feel their engagement with past members is currently adequate with email lists etc.

Introductory program was requested to be maintained as an ongoing program to engage new and old competitors continue

## 7. Member retention

VIC members drop off anecdotally will check with Wayne Twist  
NSW have done a club car trophy. Still a work in progress.

## 8. IPRAWA Nationals Update

20 expressions of interests 1 NSW, 1 NT and 1 TAS.

Options for incentives discussed included

Entry cost?

Set of Tyres?

Transport costs?

NA to research further transport option

## 9. Technical Discussion

- Roof Vents
- Bracing to steering column/dash
- Gearbox tunnel (MA may need to do wording to achieve NTC paper outcome regarding gear linkages accommodations to tunnel)

SA delegate to generate some wording on first two items above

QLD Replica Tourers

NA to explore promotion at Supercars QR round

NA to request a written clarification from MA on Replica Tourers club championships not a State Championship to be distributed .

Action items NA

Bridgestone regarding Nationals Transport & Phillip Island test date

WA and SA Track support possibly tyre purchase at the track  
(no rebate on track support tyres)
