Overview

The Refresh Equity Access Community Hub (REACH) is a national grant program in partnership with Goodwill that provides non-profits with free technology and services through an industry-best, award-winning software solution.

The problem

88%

of nonprofits lack
budget for the
technology they need¹

The solution

REACH

distributes free
premium tech
licenses to NPOs

100%

free licenses

How it works

01 Connect

Bring your existing programs and resources into one place

02 Unify

Members get a single branded home, no new logins to learn

03 Reach

Surface the right resource to the right person, when it counts

Let's meet and see how we can help:
