Agent Disclosure Notice

Re: Insurance Application

I am licensed as a life insurance agent. I work for you and independent from the carriers. My license is readily available if needed. All actions are between us, Golden Shield Life Insurance and your family. We do not sell or share your information.

Upon Completion of this transaction, I will be paid a commission directly by the carrier. The chosen broker and I are prohibited from requiring you to transact additional or other business with Golden Shield Life Insurance, Aaron Polk or Quility (also known as Symmetry Financial) or any other person or corporation as a condition of this transaction.

Companies Represented

I have a non exclusive contract with carriers and I represent products available through them only.

Compensation

The company provides a commission when products are purchased through me. A renewal commission may also be paid while your policy is in force. Eligibility for bonuses, or non-monetary benefits, such as travel incentives, depends on various factors, such as volume or persistency of business, during a given period.

Conflict of Interest

I take the potential of a conflict of interest seriously. I will notify you if I become aware of a conflict of interest. My overall recommendation will take into consideration and will be based on my analysis of your insurance needs. Should you require additional information about my qualifications or the nature of my business relationships, please let me know.
