Final Instructions: SSRS Races 2026

Dear driver

On 25 October and 15 November 2026 the two race days of the Swiss Simracing Series take place, each with two races per category! These final instructions inform you about changes, important notes and the procedures on site.

1. Schedule on the race days

1.1 Administrative checks (both race days)

Personal attendance at the administrative checks is mandatory. Your 2026 ASS SIM Racing annual licence and a valid official ID have to be checked (exception: category OPEN – no annual licence is required here). **Without completed administrative checks, a valid annual licence and a valid official ID, participation in the races is not possible.**

Race day 1 – 25.10.2026, Race-Center (races 1 and 2): checked by the Center Managers. In addition, the entry fee of CHF 50.- has to be paid at the center.

Race day 2 – 15.11.2026, MOTORWORLD Kemptthal (races 3 and 4): checked at the Driver-Desk. No entry fee is charged for races 3 and 4.

The administrative checks take place at the following times (applies to both race days):

OPEN	08:30 – 09:00
JUNIORS	09:30 – 10:00
LADIES	11:00 – 11:30
Ü50	12:30 – 13:00
PRO	14:00 – 14:30

1.2 Mandatory attendance before your race

Please arrive 15 minutes before the practice session of your category for the briefing in the simulator area. Attendance at the briefing is mandatory. Your simulator will be assigned and adjusted for you there.

1.3 Protests

Up to 30 minutes after the end of the respective second race, a written protest against an incident from the first and / or second race can be submitted to the Center Managers (race day 1) or at the Driver-Desk (race day 2). A deposit of CHF 200.- in cash has to be lodged for each individual protest. The deposit is only refunded if the protest is recognised as justified. An upheld protest from the first race has no effect on the starting grid of the second race.

1.4 Qualifying for race day 2

For races 3 and 4 in the MOTORWORLD Kemptthal, the best 16 drivers per category from the points classification of races 1 and 2 qualify. On race day 2 considerably more points are awarded (45 instead of 30 for a win), so the championship stays open until the very end.

2. Packing list and catering

You should bring these things to the race days:

- Spare T-shirt and towel (if you belong to a team or have sponsors, you are of course welcome to appear in a branded team shirt)
- Clean shoes
- Food and drink

  On both race days you can buy food and drinks on site. If you prefer not to spend any money, we recommend bringing your own drinks and snacks, above all enough water.
- SIM Racing annual licence (except category OPEN)
- Official ID
- Entry fee CHF 50.- (race day 1 only)
- CHF 200.- in cash, in case you want to submit a protest
