

Mr. Thangapandi M.

Assistant Professor

Mr. Thangapandi M. serves as an Assistant Professor in the Department of Nursing, bringing eight years of valuable teaching and healthcare experience. He holds a Master of Science in Nursing (M.Sc. Nursing) from Dhanvantri College of Nursing.

He has made significant contributions to nursing education through his dedication to teaching, research, and student mentoring. An active researcher, he has published papers in reputed peer-reviewed journals and presented his work at academic conferences.

He advises student office bearers in planning unit programmes, organizing events, and promoting effective leadership through the Student Nurses' Association of India (SNAI). He regularly participates in faculty development programmes, workshops, and seminars, reflecting his commitment to professional growth and academic excellence.
