

Mrs. Uma Devi N.

Assistant Professor

Mrs. Uma Devi N. serves as an Assistant Professor in the Department of Child Health (Pediatric) Nursing. She earned her Master of Science in Child Health Nursing (M.Sc. Nursing) from RVS College of Nursing, establishing a strong academic foundation for her career in nursing education and clinical practice.

With eight years of academic and professional experience, she is dedicated to delivering quality nursing education, fostering critical thinking, and mentoring students to achieve academic and professional excellence.

She is committed to continuous learning, evidence-based practice, and student-centred teaching, contributing significantly to the academic environment of the institution. She is also an active member of the Trained Nurses Association of India (TNAI), reflecting her commitment to professional growth and the advancement of the nursing profession.
