

Mrs. Anusyadevi M.

Associate Professor

Mrs. Anusyadevi M. serves as an Associate Professor in Mental Health Nursing, bringing 13 years of combined clinical and academic experience. She holds a Master of Science in Psychiatric Nursing (M.Sc. Nursing) from Cherran's College of Nursing, providing a strong foundation in nursing education and mental health practice.

Throughout her career, she has demonstrated excellence in teaching, clinical practice, and research. She has completed a Certificate Course in Basic Forensic Nursing and has published three research papers in reputed nursing journals, contributing to the advancement of mental health nursing.

She is a Life Member of the Trained Nurses Association of India (TNAI) and a member of the Nursing Scholars Society. She currently serves as the Student Nurses' Association (SNA) Advisor at the College of Nursing, Sri Ramakrishna Institute of Paramedical Sciences (SRIPMS), mentoring student nurses and coordinating academic and professional activities. She also serves as the Organising Secretary for the State-Level Conference on 'Gen Z Mental Health Challenges'.
