★ OUR PICK

Standard or compact

NFC models can be used as payment devices or for tap to pay, subject to provider and hardware approval.

Counter POS

Fast, reliable terminals built for the busiest service points. NFC on every printer model.

★ OUR PICK

Swan 2 (Printer)

15.6" Full HD touchscreen with built-in receipt printer. NFC standard on every printer model — the best balance of performance, features and value for most counter setups.

Configure your setup:

- 58mm or 80mm printer
- Single screen, or add a 10.1" or 15.6" customer-facing display
- Android 13, Wi-Fi 6, Bluetooth, GMS options available

Swan 2 (no printer)

The same Swan 2 platform, without the printer. NFC models available in single or dual-screen configurations. Value models without NFC also available.

Both models run the full Trackory platform.

Counter POS More Options

Need more power, a newer platform, or a specific configuration? These models extend the Swan range.

Swan 2 Pro

The premium Swan counter terminal. 15.6" Full HD, Android 15, Wi-Fi 6, Bluetooth 5.4, Gigabit Ethernet. **NFC on every model.** Choose single screen, 10.1" or 15.6" second screen, or with built-in 80mm printer. 4GB+64GB or 8GB+128GB.

Swan 1 Pro

15.6" Full HD, Android 13, Wi-Fi 6E, Gigabit Ethernet. Add a 10.1" customer display (**NFC version available**), remote display stand, adjustable screen connector, or screen base with cable.

Swan 3

The latest generation Swan. 15.6" Full HD, Android 15. Add a 10.1" customer display with NFC, or a segment display. Swan 3 Pro features a higher-performance processor with NPU for faster operations.

Swan 3 Pro Dual Display

The premium Swan counter terminal. 15.6" Full HD and 10.1" second display , Android 15, Wi-Fi 6, Bluetooth 5.4, Gigabit Ethernet. **NFC on every model.** Option to come with built-in 80mm printer. 4GB+64GB or 8GB+128GB.

Swan 2

15.6" Full HD, Android 13, Wi-Fi 6E, Gigabit Ethernet. Add a 10.1" customer display (**NFC version available**), remote display stand, adjustable screen connector, or screen base with cable.

Falcon 1 Pro

Falcon 1 Pro is an ***all-in-one Android 15 tablet*** with 10.95" FHD display, built-in 80mm printer, WiFi 6, NFC SoftPOS, built for modern retail.

Tablet POS

Take service to the customer table-side, counter-side or on the move. Every Falcon 2 model includes NFC.

★ OUR PICK

Falcon 2

10.95" display (1920×1200), Android 13, NFC on every model. Wi-Fi models for counter use; 4G LTE models with fingerprint reader for mobile service. 4GB+64GB or 8GB+128GB.

Falcon 2 Max

12.6" display (2560×1600), 4G LTE, NFC, fingerprint reader, 10,000mAh battery. Built-in barcode scanner options available. More screen for larger menus and busier floors.

Falcon 2 Add-ons

Payment case

Add a payment-ready case
