

PRIVACY POLICY

Last Updated: October 15, 2026

This privacy policy [“**Privacy Policy**”] describes the privacy practices of **PAXBRIEF, LLC** (a Florida limited liability company) [collectively, the “**Company**,” “**we**,” “**us**,” or “**our**”] in connection with our online service [the “**Service**”] and our websites, applications, and other offerings [collectively, the “**Platform**”]. This Privacy Policy also applies to personal information we may process about pilots, aircraft operators, operator personnel, customers, prospective customers, business contacts, and other individuals whose information we receive in connection with the Service or the Platform, whether or not the individual visits the Platform or maintains an account [collectively, “**Individuals**”]. References to “you” and “your” include Individuals, as applicable. As part of the normal operation of the Service and the Platform, we may collect and, in some cases, disclose information about you. This Privacy Policy describes information we may collect about you and what may happen to that information. By accepting our Terms of Use [“**Terms**”] or using the Service or the Platform, you acknowledge and consent to the collection, use, and disclosure of your personal information as described in this Privacy Policy. This Privacy Policy is incorporated into and subject to the Terms.

1. Minors. IF YOU ARE UNDER THE AGE OF 18, PLEASE DO NOT USE THE PLATFORM OR ANY OF THE SERVICES FOR ANY PURPOSE AT ANY TIME.

2. Information We May Collect.

(a) Your Registration Information. To fully use the Service and the Platform, you will need to register using our online registration form, where you will be required to provide us with your contact information and certain other personal information requested in the registration form.

(b) Pilot, Operator, and Business Information. We may collect information about pilots, aircraft operators, operator owners, officers, employees, contractors, representatives, and other personnel in connection with the Service or the Platform. This information may include names, contact information, employer or organizational affiliation, job title or role, account and authentication information, professional qualifications, licenses, certificates, ratings, training and experience information, aircraft and flight-related information, communications, transaction and service records, and other information provided to us or reasonably necessary to provide, support, secure, administer, or improve the Service or the Platform.

(c) Your Usage of the Service and the Platform. We may automatically track certain information about you based upon your use of the Service and the Platform. We may use this information to conduct internal research on user demographics, interests, and behavior to better understand and serve our users. This information may be compiled and analyzed on an aggregate basis and may be identifiable or de-identified. It may include the referring URL, the URL you visit next, your browser type, and your IP address.

(d) Cookies and Similar Technologies. We and our service providers, analytics providers, advertising partners, marketing partners, and other third parties may use cookies, pixels, tags, web beacons, software development kits, device identifiers, local storage, APIs, session-replay technologies, and other similar or subsequently developed technologies [collectively, “**Tracking Technologies**”] on or in connection with the Service and the Platform. Tracking Technologies may collect information about your use of and interactions with the Service and the Platform, including device and browser information, IP address, identifiers, pages or content viewed, referring and exit pages, dates and times of visits, interactions with features or advertisements, approximate location, and activity over time and across websites, applications, services, devices, and platforms. We and these third parties may use this information for analytics, measurement, attribution, security, functionality, personalization, audience development, and advertising and marketing purposes, including to measure and improve campaigns and provide advertisements or marketing that may be relevant to your interests. Some features of the Service or the Platform may depend on Tracking Technologies. Depending on your location and the technology involved, you may be able to limit or opt out of certain uses of Tracking Technologies through the privacy or cookie settings made available through the Platform, your browser or device settings, an industry opt-out tool, a legally recognized opt-out preference signal, or the methods described in the “**How To Exercise Your Data Subject Rights**” section. Your choices may apply only to the browser, device, account, or technology through which you exercise them, and limiting Tracking Technologies may affect the availability or functionality of the Service or the Platform.

(e) Your Correspondence. If you send us emails, letters, or other personal correspondence, or if other users or third parties send us correspondence about your activities on the Platform, we may collect such information into a file specific to you.

(f) Sources of Information. We may collect information: (1) directly from you; (2) automatically when you access or interact with the Service or the Platform; (3) from customers, aircraft operators, employers, account administrators, authorized users, and other persons or entities that provide information to us; (4) from service providers, analytics providers, advertising and marketing partners, social media platforms, and other business partners; (5) from government agencies, regulatory bodies, public databases, publicly available sources, and aviation-related records; and (6) from other sources as permitted by applicable law. Information received from another person or entity may include information about pilots, operator personnel, customers, business contacts, or other Individuals who do not directly provide the information to us.

(g) Other Data. We may collect other information that you or another source provides or that is reasonably necessary to provide, support, secure, administer, or improve the Service or the Platform.

3. Our Use of Your Information.

(a) Promotional Use. We may use contact information and information collected through our public-facing websites and marketing activities to provide information about new services, promotions, and other matters that may be of interest to you. We do not use information

obtained from or generated through client engagements, including client information, engagement materials, analyses, or findings, for promotional purposes. You may opt out of promotional communications as described in this Privacy Policy.

(b) Administrative Notices and Communications. We may use your email address, mailing address, and telephone number to contact you regarding administrative notices, new offerings, and communications relevant to your use of the Service and the Platform. If you do not wish to receive these communications, you may have the ability to opt out on your account status page.

(c) Customer Support. We may use information we collect to provide customer support, including to investigate and address user concerns and to monitor and improve our customer support processes and responses.

(d) Providing and Administering the Service. We may use information to provide, operate, administer, support, personalize, and improve the Service and the Platform; manage accounts and customer relationships; verify identity, credentials, qualifications, or authority; facilitate transactions and communications; maintain records; and perform services requested by customers, aircraft operators, authorized users, or other persons or entities.

(e) Dispute Resolution. We use information in the file we maintain about you, and other information we obtain from your current and past activities on the Platform, to resolve disputes, troubleshoot problems, and enforce the Terms.

(f) Safety, Security, and Fraud Protection. We may use information to help maintain the safety, security, and integrity of the Service, the Platform, and users.

(g) Research, Development, and Improvement. We may use information, including information about how users access, navigate, interact with, and use the Service and the Platform [**“Engagement Data”**], for analysis, research, testing, quality assurance, service development, machine learning, and other purposes intended to evaluate, maintain, improve, personalize, or develop our methods, processes, services, and features. In connection with these activities and our provision of the Service and the Platform, we and our service providers may process information using artificial intelligence, machine learning, automated systems, and similar tools. To the extent reasonably practicable for the applicable purpose, we may use Engagement Data in aggregated or de-identified form.

(h) Enabling Communications Between Users. We may use information to enable or assist with communications between users of the Service and the Platform.

(i) Marketing and Advertising. We may use information collected through our public-facing websites and marketing activities to develop, conduct, personalize, analyze, measure, and improve advertising and marketing campaigns for us and our advertising and marketing partners. We do not use information obtained from or generated through client engagements, including client information, engagement materials, analyses, or findings, for advertising or marketing purposes.

(j) Nonmarketing Communications. We may use information to send surveys or other communications that are not for the purpose of marketing our services.

(k) Legal Proceedings and Requirements. We may use information to investigate or address claims or disputes relating to use of the Service and the Platform, to satisfy requirements under applicable laws, regulations, licenses, agreements, or insurance policies, or as may be requested or required by law enforcement or other government officials or court orders.

4. Quality Control and Service Monitoring. Certain services may involve telephone or videoconference calls. We may monitor or record such calls, with notice and consent as required by applicable law.

5. Information Security. We use reasonable administrative, technical, and physical safeguards designed to protect personal information against unauthorized access, use, alteration, disclosure, or destruction. We maintain processes designed to identify, assess, respond to, and mitigate suspected security incidents and to provide notifications when required by applicable law. No security measure or method of transmitting or storing information is completely secure, however, and we cannot guarantee the absolute security of personal information.

6. Changes to Your Personal Information. If any personal information you may have provided to us has changed, or should you ever notice a mistake or error with respect to any of your information on the Platform, you should promptly notify us and provide updated or correct information so that the Platform will have current and accurate information about you.

7. Our Disclosure to Third Parties. We may disclose personal information to the categories of recipients and for the purposes described below. We do not sell personal information for monetary consideration. Certain disclosures for advertising or marketing purposes may be considered a “sale,” “sharing,” or targeted advertising under applicable law, and eligible Individuals may opt out as described in this Privacy Policy.

(a) Law Enforcement. We reserve the right to disclose information about you when we reasonably believe disclosure is necessary or appropriate to comply with applicable law, regulation, legal process, court order, or governmental request; enforce the Terms or other agreements; protect the rights, property, or safety of the Company, our users, or others; or prevent, investigate, or address fraud, intellectual property infringement, illegal activity, or potential legal liability. We reserve the right to fully cooperate with any law enforcement authorities or other government officials or court orders requesting or directing us to disclose the identity of anyone using or misusing the Platform. BY ACCEPTING OUR TERMS OR USING THE SERVICE OR THE PLATFORM, YOU WAIVE ALL RIGHTS AND AGREE TO HOLD US HARMLESS FROM ANY CLAIMS RESULTING FROM ANY ACTION TAKEN BY US DURING OR AS A RESULT OF ANY INVESTIGATIONS OR FROM ANY ACTIONS TAKEN AS A CONSEQUENCE OF ANY INVESTIGATION BY EITHER US OR LAW ENFORCEMENT AUTHORITIES.

(b) Advertising, Analytics, and Marketing Partners. We may disclose or otherwise make available information, including online activity, device, browser, advertising, and similar identifiers, to advertising networks, analytics providers, social media platforms, measurement providers, and other advertising or marketing partners. These parties may use Tracking Technologies to collect information through the Service or the Platform and may combine that information with information collected from other sources. They may use the information to provide analytics and measurement services, develop or identify audiences, measure or attribute campaign activity, and provide or facilitate advertising or marketing on the Platform and elsewhere. Their collection and processing of information for their own purposes may be subject to their own privacy policies. We do not disclose information obtained from or generated through client engagements, including client information, engagement materials, analyses, or findings, to third parties for advertising or marketing purposes.

(c) Service Providers and Suppliers. We may disclose personal information to service providers and suppliers that support, provide, secure, analyze, maintain, or improve the Service, the Platform, or our business operations. These parties may include providers of artificial intelligence, machine learning, analytics, automation, hosting, cloud storage, data processing, communications, customer support, payment processing, security, fraud prevention, and similar services. They may process personal information on our behalf or otherwise as permitted by our agreements with them and applicable law.

(d) Customers, Aircraft Operators, and Authorized Persons. We may disclose information to a customer, aircraft operator, account administrator, authorized user, or other person or entity at the direction of, or with the authorization of, the customer that provided or requested the information, including when reasonably necessary to provide or administer the Service or the Platform, facilitate authorized transactions or communications, verify identity, credentials, qualifications, or authority, maintain records, or perform requested services. We will not disclose a customer's information, engagement materials, analyses, or findings to an aircraft operator unless the customer has authorized the disclosure or the disclosure is otherwise required by applicable law.

(e) Business Transactions. We may disclose or transfer information in connection with an actual or proposed merger, acquisition, financing, investment, reorganization, bankruptcy, receivership, sale or transfer of assets, formation or restructuring of an affiliated or intellectual-property holding company, or other similar corporate transaction, including during related due diligence. Any recipient may use the information subject to this Privacy Policy and any other applicable confidentiality obligations.

8. Disclosures You Make to Third Parties. We do not control the privacy policies of third parties. When you disclose information to third parties on any other website about yourself, you are subject to the privacy customs and policies of that third party.

9. Links to Third-Party Websites. The Platform may contain, or third parties may provide, links to other websites or resources that are not maintained by or related to us. Links to such third-party sites may be provided or allowed as a service and convenience in the Platform, but they are not sponsored by, endorsed by, or otherwise affiliated with the Service, the Platform, or

us. Please be aware that we are not responsible for and have no control over linked third-party websites, including, but not limited to, the privacy practices of such websites, and we make no representations or warranties to you about the privacy, content, quality, or accuracy of any linked website. Therefore, you acknowledge and agree that your use of such third-party websites is entirely at your own risk and we are not responsible or liable in any way, directly or indirectly, for any of your dealings or transactions with such websites or any damage or loss caused by or alleged to have been caused by or in relation to your use of such linked websites, including any loss or damage from any privacy violation or privacy breach that may occur as a result of your use of any linked website or any failures or disruption to your computer system that results from your use of any such linked websites.

10. Changes to This Privacy Policy. We may update this Privacy Policy from time to time. When we do, we will post the updated Privacy Policy on the Platform and revise the “Last Updated” date above. If required by applicable law, we will provide additional notice of material changes, such as by email, through the Service or the Platform, or by another appropriate method, and will obtain consent where legally required. Unless otherwise stated, an updated Privacy Policy becomes effective when posted.

11. State-Specific Supplements.

If you reside in California, Colorado, Connecticut, Delaware, Florida, Indiana, Iowa, Kentucky, Maryland, Minnesota, Montana, Nebraska, Nevada, New Hampshire, New Jersey, Oregon, Rhode Island, Tennessee, Texas, Utah, Vermont, Virginia, or Washington, or are otherwise protected by privacy or consumer health data laws in those jurisdictions, this Section applies to you and supplements this Privacy Policy.

To exercise a privacy right, use any privacy request form or privacy settings made available through the Platform, or contact us by email using the information in the “**Contact Us**” section below. Please identify your state of residence and the right you wish to exercise. We may need to verify your identity and request before taking action and may request information reasonably necessary for verification, such as your name, state of residence, telephone number, email address associated with your account, or other identifying information. Consistent with applicable law, you may designate an authorized agent to submit a request on your behalf. We may require the authorized agent to provide proof of authority and may require you to verify your identity or confirm that you authorized the request. The rights available to you and any applicable exceptions may vary based on your state of residence.

CALIFORNIA

Information Pertaining to California Consumer Requests	If applicable, information about consumer requests we received and processed under the California Consumer Privacy Act during the previous calendar year is available through the privacy section of the Platform or may be requested using the contact information in the “ Contact Us ” section below.
Information Sharing	We may disclose personal information to the categories of third parties and for the purposes described above in this Privacy Policy

	(including Sections 7 and 11), including to service providers and, with respect to information collected through our public-facing websites and marketing activities, advertising, analytics, and marketing partners. We do not disclose information obtained from or generated through client engagements to third parties for advertising or marketing purposes. Certain advertising-related disclosures may constitute “sharing” under California law, and eligible consumers may opt out as described below.
Limit Use and/or Disclosure of Sensitive Personal Information	Certain categories of personal information that we collect and use may constitute sensitive personal information under applicable privacy laws. Consistent with applicable law, you may limit certain uses or disclosures of sensitive personal information through any privacy settings or privacy request form made available through the Platform, or by contacting us as described in the “ How To Exercise Your Data Subject Rights ” section below.
Right to Access	Consistent with applicable law, you may submit a verifiable consumer request to access, in a portable and (if technically feasible) readily usable form, the personal information that we have collected about you as well as more information about our data practices. For more information about how we collect, use, and disclose personal information for business purposes, please review our Privacy Policy.
Right to Correct	Consistent with applicable law, you may submit a verifiable consumer request to correct inaccuracies in your personal information held by us.
Right to Delete	Consistent with applicable law, you may submit a verifiable consumer request to delete your personal information.
Right to Opt-Out of Sale and Sharing of Data	We do not sell personal information for monetary consideration and are not data brokers. We do not knowingly sell or share the personal information of individuals younger than 18. We may allow third parties to collect personal information through the Service or the Platform and may disclose personal information for the purposes described in this Privacy Policy, including advertising and marketing based on activity over time and across websites, applications, services, devices, and platforms. Certain disclosures may constitute a sale, sharing, or targeted advertising under applicable law. Consistent with applicable law, you may opt out through any privacy or cookie settings made available through the Platform, by using a legally recognized opt-out preference signal, or by contacting us as described in the “ How To Exercise Your Data Subject Rights ” section below. For information about the categories of information involved, review Sections 2, 3, and 7 and the “ Marketing and Data-Sharing Opt-Out Rights ” section below.
Right of Nondiscrimination	We will not discriminate against you for exercising your rights and choices, although some of the functionality and features available on the Platform may change or no longer be available to you. Any differences in the Service are related to the information provided.

Data Retention	We retain personal information for as long as needed or permitted in light of the purpose(s) for which it was collected. The criteria used to determine our retention periods include: • The length of time we have an ongoing relationship with you and provide services to you (for example, for as long as you have an account with us or keep using the Service or the Platform) and the length of time thereafter during which we may have a legitimate need to reference your personal information to address issues that may arise; • Whether there is a legal obligation to which we are subject (for example, to any extent that certain laws may require us to keep records of your transactions for a certain period of time before we can delete them); or • Whether retention is allowed by applicable law (such as in regard to applicable statutes of limitations, litigation, or regulatory investigations).
De-Identification	Consistent with applicable law, we commit to maintain and use information in de-identified form and not to attempt to re-identify the information, except that we may attempt to re-identify information solely for the purpose of determining whether our de-identification processes satisfy any applicable requirements of the California Privacy Rights Act.

HOW TO EXERCISE YOUR DATA SUBJECT RIGHTS

This section explains how to exercise privacy rights that may be available under applicable law. You may submit a request through your account, through any privacy request form or privacy settings made available through the Platform, or by email using the information in the “**Contact**

Us” section below. Please identify your state of residence and the right you wish to exercise. If submitting a request by email, use the subject **“Privacy Data Subject Right Request.”**

Please note that you may be required to verify your identity and request before further action is taken. As a part of this process, government identification may be required. Consistent with applicable law, you may designate an authorized agent to make a request on your behalf. In order to designate an authorized agent to make a request on your behalf, you must provide a valid power of attorney, or the agent must provide proof that you gave the agent signed permission to submit the request and either: (A) verify your identity with us; or (B) directly confirm with us that you provided the authorized agent with permission to submit the request.

ACCOUNT DEACTIVATION OR DELETION

You may request deactivation or deletion of your account and associated data through your account settings, through any privacy request form made available through the Platform, or by email using the information in the **“Contact Us”** section below. Deleting or deactivating your account will result in the permanent closure of your account, which cannot be reversed. Once your account deletion request has been processed, your personal information will be permanently deleted (except for certain information that we may retain, as outlined in our Privacy Policy). This means that we will no longer be able to provide the Service to you, and if you decide to use the Platform again in the future, you will need to set up a new account.

DATA ACCESS

You may review information within your account.

Obtaining a Copy of Account Data That We Hold About You

To request a copy of your personal data, submit a request through your account, through any privacy request form made available through the Platform, or by email using the information in the **“Contact Us”** section below. The process may require you to submit a request, complete a security check to verify your identity, and return to your account to download the data file.

Right To Portability

In certain jurisdictions, applicable law may allow you to receive a copy of personal information that you have provided to us. If you are permitted to exercise such a right, you may request to receive certain personal information in a structured, commonly used, and machine-readable format. Alternatively, you may request that we transmit this information to another service provider, where technically feasible.

Exercising Your Right To Portability

To request portable data, submit a request through your account, through any privacy request form made available through the Platform, or by email using the information in the **“Contact Us”** section below.

OPTING OUT FROM MARKETING COMMUNICATIONS

Exercising Your Right To Opt Out From Receiving Marketing Emails, Notifications, Text Messages, Or Calls

You may change your marketing preferences at any time by following the unsubscribe instructions included in a marketing email or by changing the available preferences in your account.

If You Are Still Receiving Emails From Us After Opting Out

We will continue to use contact information you provided to send you notifications related to any service you may have requested. If you do not wish to receive any notifications from us (including service messages), you will need to deactivate or delete your account.

MARKETING AND DATA-SHARING OPT-OUT RIGHTS

Opting Out of Targeted Advertising and Certain Tracking

Where applicable, you may opt out of targeted advertising, cross-context behavioral advertising, sales, sharing, or similar processing by using the privacy or cookie settings available through the Platform or by submitting a request through the methods described below. You may also adjust browser or device settings or use a legally recognized opt-out preference signal. Because these choices may be specific to a browser or device, you may need to exercise them separately on each browser or device you use.

Opting Out Of Personal Data Use For Direct Marketing Purposes

If permitted under the applicable laws of the jurisdiction where you reside, you may opt out of direct marketing activities by changing the available preferences in your account or by email using the information in the “**Contact Us**” section below. To manage Tracking Technologies, use any privacy or cookie settings made available through the Platform or the other methods described above.

Opting Out Of Data Sharing With Third Parties

We do not sell personal information for monetary consideration. Certain disclosures for advertising or marketing purposes may be considered a “sale,” “sharing,” or targeted advertising under applicable law, and eligible individuals may opt out as described in this Privacy Policy.

RIGHT TO OBJECT TO PROCESSING

How To Object To Processing Of Your Personal Data For Certain Specific Purposes

If permitted under the laws of the jurisdiction where you reside, you may request that we not process your personal information for certain specific purposes (including profiling) where such processing is based on legitimate interests. If you object to such processing, we will no longer process your personal information for these purposes unless we can demonstrate compelling legitimate grounds for such processing, or such processing is required for the establishment, exercise, or defense of legal claims. You may exercise any applicable right to object by using any privacy request form made available through the Platform or by email using the information in the “**Contact Us**” section below.

ACCOUNT INFORMATION UPDATES AND CORRECTIONS

How To Correct Information We Have About You

You have the right to ensure certain personal data is accurate and up to date. You may edit profile information within your account. To request correction or amendment of other personal data, use any privacy request form made available through the Platform or contact us by email using the information in the “**Contact Us**” section below. Some personal data may not be eligible for correction, as permitted by applicable law.

NONUSER DATA SUBJECT RIGHTS

If you do not maintain an account, including if we process information about you because you are a pilot, operator owner, officer, employee, contractor, representative, business contact, or other Individual whose information was provided by another person or entity, you may exercise any rights available to you under applicable law by email using the information in the “**Contact Us**” section below. If we process your information on behalf of a customer or other third party, we may refer your request to that party or ask you to submit the request directly to it. To help us process your request, use the subject “**Privacy Data Subject Right Request**” for email correspondence. We may need to confirm your identity before acting on your request.

SENSITIVE DATA PROCESSING

In certain jurisdictions, applicable law may allow you to opt out of or limit the processing of sensitive personal information for purposes that do not qualify for an applicable exemption, including:

- Use necessary to perform services reasonably expected by the user (e.g., tax reporting);
- Use reasonably necessary and proportionate to help ensure security and integrity (including resisting malicious, deceptive, fraudulent, or illegal actions, and ensuring the physical safety of natural persons);
- Use necessary to verify customer information; or
- Use necessary to verify or maintain the quality or safety of the Service or the Platform.

Where applicable, you may exercise a right to opt out of or limit the processing of sensitive personal information through any privacy settings or privacy request form made available through the Platform, or by email using the information in the “**Contact Us**” section below.
