PAST PROJECTS

Interim CFO | B2C platform, Series A, entertainment & live events | >12 months, ongoing

Responsible for investor reporting cadence, integrated financial model, annual budget & rolling forecast, year-end close and audits. Recurring Reporting & Controlling work reduced to < 2 days monthly with minimal founder & management involvement.

Fractional CFO | B2B SaaS / AI, Series A | 2 months, ongoing

Conceptualizing and building with an internal team a Series-B-ready FP&A and reporting setup.

Interim Head of Treasury | Buy-Now-Pay-Later FinTech | 7 months

Led SPV structuring for an EUR >125m ABS transaction and set up bank-grade reporting for the senior loan partner. Transaction closed successfully.

Interim Director FP&A | B2B SaaS, Series C scale-up | 5 months

Built automated ARR/CARR revenue model: cut monthly revenue reporting prep from days to hours and removed single-person dependency.

Financial Due Diligence Lead | 10+ FDDs for VCs and corporates

Buy-side FDDs across SaaS, Health-Tech and Manufacturing; advising investors and targets on financial and process risks and mitigations.

WORK EXPERIENCE

Head of FP&A and Accounting at wertfaktor Immobilien GmbH | B2C financial services start-up | up to 100 employees | 20 SPVs | EUR 20m revenues p.a. | 4 years

- Built the finance function from scratch: hired and led the accounting and controlling team (5 FTEs), designed and implemented all core finance processes
- Implemented budgeting, monthly rolling forecasts and liquidity management for 21 entities; owned investor reporting, financial statements and audits
- Led multiple corporate finance projects incl. company bond ratings, due diligence and the integration of a group financing entity

Senior Consultant | Transaction Advisory Services & Corporate Finance | RSM Germany Audit, Tax, Consulting | 4 years

- 20+ Financial Due Diligence projects with deal volumes up to EUR 250m, some of them with Post-Merger-Integration. Industries incl. manufacturing, real estate, logistics, renewable energy
- Corporate Finance: Integrated financial modeling, business valuations and scenario analyses
- (Group-)Audits and preparations of financial statements
