Classroom Give Back

CCA is extremely grateful to all who wish to organize special events or other efforts to raise funds and awareness. Your help in spreading awareness and education about our cause while raising funds, and supports our mission to empower and give hope to individuals and families affected by facial differences and extends our reach for the world we envision where all people are accepted for who they are, not how they look.

What teachers have done in the past:

KINDNESS ROCKS

Decorate rocks with a kind message and place them around the school and community to encourage others to also #ChooseKind

"WONDER" WALL OF PRECEPTS

Students write their own precepts -- 'words to live by' -- and decorate a wall with them to encourage one another toward kindness and positivity

KINDNESS CAMPAIGN

Students and teachers emphasize the importance of being kind to one another and come up with ideas and encouragements to do so. Place sticky notes and signs around school, bus, cafeteria, etc on ways to be kind. Can be formatted as a week, month, or semester.

DANCE-A-THON

Students ask their own communities to sponsor them to dance at the school Dance-a-thon. Can also be a Walk-athon, Hop-athon, Cartwheel-athon or Hula-Hoop-athon! Just get moving!

RAFFLE

Students bring in items to be raffled to generate funds
