

We're Hiring

Product Manager – Lending

Bitventure is a leading provider of verification, authentication, and data-driven solutions across South Africa. Our technology empowers businesses to onboard customers securely, prevent fraud, and scale confidently.

We are looking for a Product Manager – Lending to own and drive the strategy, roadmap, and execution of our micro-lending product suite. This role sits at the core of our Product Team and works closely with Engineering, Compliance, Risk, and Executive leadership to build world-class, regulation-first lending experiences.

What You'll Drive

- Define and own the product vision, strategy, and multi-quarter roadmap for the lending portfolio
- Lead end-to-end product delivery as Product Owner within Agile squads
- Translate customer needs, market insights, and regulatory requirements into clear product requirements
- Prioritise the backlog using data-driven frameworks (RICE, MoSCoW)
- Ensure full compliance with the National Credit Act (NCA) and NCR requirements
- Partner with Legal, Risk, and Compliance to embed responsible lending principles
- Drive integration with credit bureaus, affordability assessments, and payment rails
- Define and track OKRs, KPIs, and product performance metrics
- Optimise lending journeys using data, experimentation, and customer feedback

What We're Looking For

- 5+ years experience in Product Management (fintech or regulated financial services)
- 3+ years experience in South African micro-lending or credit products
- Strong working knowledge of the National Credit Act (NCA) and NCR regulations
- Experience as a Product Owner in Agile / Scrum environments
- Proven experience with credit bureau integrations (TransUnion, Experian, XDS, Compuscan)
- Solid understanding of the credit lifecycle (origination to collections)
- Comfort working with data, analytics, and experimentation
- Excellent stakeholder management and executive communication skills
- A strong balance of commercial thinking, user-centric design, and regulatory discipline
