## Chief Financial Officer - CFO

Bitventure is a leading provider of verification, authentication, and data-driven solutions across South Africa. Our technology empowers businesses to onboard customers securely, prevent fraud, and scale confidently.

We are seeking a **Chief Financial Officer (CFO)** to lead Bitventure's financial strategy, governance, and performance. This executive role partners closely with the CEO and leadership team to drive sustainable growth, optimise capital allocation, and enable data-driven decision-making in a high-growth fintech environment.

### What You'll Drive

- Define and execute financial strategy aligned to growth and investment priorities
- Lead budgeting, forecasting, and financial planning processes
- Provide strategic insight through financial modelling and scenario analysis
- Oversee cash flow, treasury, and working capital optimisation
- Ensure strong financial governance, risk management, and compliance (IFRS, tax)
- Support capital raising, investor relations, and funding initiatives
- Develop KPIs and dashboards to drive business performance
- Partner with leadership on pricing, profitability, and investment decisions
- Build and lead a high-performing finance team

### What We're Looking For

- CA(SA) or equivalent professional qualification
- Bachelor's degree in Finance, Accounting, or Economics
- 10–15 years' experience in senior financial leadership roles
- Experience in fintech, venture capital, or high-growth environments
- Strong expertise in financial modelling, forecasting, and reporting
- Proven track record in scaling businesses and financial systems
- Knowledge of IFRS, corporate finance, and governance frameworks
- Experience with fundraising, M&A, or investor relations (advantageous)
- Strong leadership, strategic thinking, and stakeholder management skills
