

# We're Hiring

## Junior Financial Accountant

Bitventure is a leading provider of verification, authentication, and data-driven solutions across South Africa. Our technology empowers businesses to onboard customers securely, prevent fraud, and scale confidently.

We are looking for a **Junior Financial Accountant** to support financial operations, maintain accurate records, and assist with reporting and compliance processes that drive informed decision-making across the business.

### What You'll Drive

- Assist in maintaining the general ledger and posting accurate journal entries
- Process invoices, receipts, and payments in a timely manner
- Support accounts payable and receivable functions
- Perform bank, supplier, and customer reconciliations
- Investigate and resolve discrepancies in financial records
- Assist with month-end close processes and financial reporting
- Support audit preparation and provide required documentation
- Ensure compliance with financial policies and regulatory requirements
- Support VAT, tax, and statutory reporting processes
- Identify opportunities to improve financial processes and efficiency

### What We're Looking For

- 3–5 years' experience in accounting or finance roles (internships included)
- Degree or diploma in Accounting, Finance, or related field
- Solid understanding of IFRS principles and financial reporting
- Strong proficiency in Microsoft Excel and accounting systems
- Knowledge of tax regulations and compliance requirements
- Strong attention to detail and analytical thinking
- Ability to work with large datasets and maintain accuracy
- Strong organisational and time management skills
- Eagerness to learn and grow within a finance environment
- Collaborative mindset and strong communication skills
