

NELLY'S NEWLETTER

Welcome to Nelly's Newsletter!

As the days grow longer and the sunshine becomes a little warmer, we're delighted to welcome you to our Summer newsletter. This is always a special time of year in the nursery, filled with outdoor adventures, creative exploration and plenty of opportunities for children to learn through play in the fresh air.

Over the coming weeks, we will be making the most of the season – whether its discovering nature in the garden, enjoying water play or taking part in the fun themed activities that spark curiosity and imagination. Summer also brings lots of energy and growth; it's a joy to see the children flourish as they build confidence, friendships and new skills.

In this newsletter you'll find updates on what we've been up to, what's new, a look ahead at the upcoming events & activities and a few helpful reminders for the season. As always, we want to thank you for your continued support, we have been hard at work to ensure we are providing consistent care for your child to encourage and nurture every child's individual journey. We look forward to sharing our news and updates for the season!

Summer Holiday - Monday 20th July -
Monday 31st August

Monday 31st August 2026 – Bank
Holiday

NURSERY NEWS

We're excited to be refreshing the names of our Nursery rooms to better reflect the wonderful ways each space supports children's learning, development, and growth. To help us choose, we'll be sharing a poll on Famly on Tuesday 5th May, where you can vote for the names you feel suit our nursery best. We'd love for you to join in and share your thoughts!

REMINDERS

Feedback - We just wanted to kindly remind you that all feedback about your child and their day will be provided through the Famly app. Due to drop offs and pickups being a busy time for both parents and practitioners, can we request that if you would like to have time to have a more thorough catch up with a team member about your child to please contact the room leader via the Famly app so that we can arrange a proper time for a conversation.

Appropriate clothing - As the weather becomes warmer, it is important for children to stay safe in the sun. Please ensure your child comes to nursery dressed appropriately and with a clearly labelled sunhat. Thank you for your support.

BABY POD 1 & 2

In our Baby Pods, we've been having lots of fun exploring our brand-new climbing apparatus in the garden! We'll be using this throughout the summer to help little ones develop and refine their motor skills while enjoying plenty of outdoor adventures.

We can't wait to welcome you along to our special Father's Day Stay and Play in June – it's sure to be a lovely time together.

We're also excited to plan more walks and days out, giving the children the chance to discover new sights, explore different places, and enjoy the world around them.

TINY TODDLERS

This summer in our Tiny Toddlers, we're looking forward to lots of exciting walks and outdoor adventures as the children explore new sights and discover the world around them. We have plenty of opportunities planned for exploration, fresh air, and learning through fun, hands-on experiences. We're also excited to invite families to join us for our Stay and Play sessions, including a special Teddy Bear Picnic Stay and Play – a lovely chance to share some summer fun together.

UNDER 3S

This summer in our Toddler Room, we'll be busy learning, growing, and having lots of fun together! We'll gently support children as they continue their potty training journeys, celebrating every splash of success and encouraging independence in a calm, positive way. Our toddlers will enjoy plenty of sunny walks and trips out into the local community, exploring new places and discovering the world around them. We're also excited to welcome families to our summer stay and play sessions – a lovely opportunity to join in the fun, play together, and make special summer memories.

SCHOOL ROOM

Summer brings a very exciting time for our school Room! We have our Zoo Lab stay and play on 6th May, where we will enjoy lots of fun activities and experience an up close experience with lots of animals and insects! We look forward to introducing our new class bear, Nelly, who will be coming home with one of our children every weekend.

Finally, It's with a heavy heart we say goodbye to our school leavers. After seeing them grow and flourish with us here at Nelly's they will all be missed. We want to give them a graduation to remember, so if you are a school room leaver this year (2026), you will receive your invitation soon – we look forward to seeing you then!
