

Justin Kenney

justinkenney13@gmail.com

Project Manager with a passion for team building, collaboration, and efficient execution. I have experience managing multiple complex web projects with cross-functional teams around the world. With my combined background in Project Management, Web Development, and Retail Management, I can offer a unique perspective on achieving data-driven solutions. Currently seeking a role with opportunity for growth.

EMPLOYMENT HISTORY

FGS Global, Kingston, NY

Director, Digital Project Management, *June 2022 - April 2026*

- Directed a portfolio of 20–25 web projects using Agile, Waterfall, and Hybrid methodologies, ensuring on-time, on-budget delivery across high-stakes client engagements
- Partnered with Fortune 500 stakeholders to shape strategic project direction, presenting data-backed plans that aligned creative and business objectives
- Led cross-functional teams on complex, multi-disciplinary projects, including TIME Magazine's Top 100 Inventions recipient Johns Hopkins University's Coronavirus Resource Center (coronavirus.jhu.edu)
- Refined Project Management SOPs and integrated AI tools into daily workflows to increase efficiency and adaptability
- Supported the Managing Director in hiring, onboarding, and training new Project Managers, strengthening team capability and consistency

Finsbury Glover Hering, Kingston NY

Senior Digital Project Manager, *September 2021 - June 2022*

- Managed a portfolio of 15–20 web projects utilizing Agile, Waterfall, and Hybrid methodologies for enterprise-level accounts
- Collaborated closely with technical, creative, and design teams to translate complex business requirements into clear, executable project plans
- Developed onboarding materials and SOPs that improved team alignment and accelerated ramp-up for new Project Managers

Moonfarmer, Kingston NY

Digital Project Manager, *October 2019 - September 2021*

- Oversaw 10–15 concurrent web projects from concept through launch, coordinating cross-functional teams to deliver on scope, timeline, and quality
- Built and maintained strong client relationships, serving as the primary point of contact and trusted advisor throughout each engagement
- Led client training sessions on CMS, CSM, and ATS platforms, ensuring smooth handoff and long-term platform adoption

Sleep Number, Middletown, NY

Store Manager, *October 2015 - May 2017*

- Led a high-performing team of commissioned sales associates through hiring, onboarding, coaching, and professional development
- Developed and grew an extensive customer portfolio while managing weekly resource planning, payroll, and store budget
- Achieved the company's highest sales goal in September 2016

EDUCATION

PMP Certification - *In progress, ETA - June 2026*

Flatiron School - *Online, 2019*

- Full Stack Web Development, Ruby on Rails and JavaScript online program

SUNY Rockland - *Suffern, NY - 2011*

- Associates Degree in Liberal Arts and Sciences
